Boundary Changes Erupt In Protests

An avalanche of concerned and apprehensive parents descended on members of the Placentia Unified School District's Educational Facilities Planning Committee last week as they eyed possible boundary changes for students at Sierra Vista and Van Buren Elementary Schools.

The changes, with a target date of September,1976, are being prompted by the sudden growth of new homes in the area, which threaten to inundate Sierra Vista on the west and Bernardo Yorba junior High school and Esperanza High School on the east.

As parents filled every inch of the Board Room of the PUSD Administrative Offices and spilled through open doors to the outside of the building, committee members heard proposals that might at least temporarily solve some of the problems.

Involved also is the concern that Brookhaven Elementary School, an institution frequently criticized by parents for its open classroom type of structure, may become too small to be able to offer its students a good educational program.

In a review by Pat Bowman, PUSD Director of Panning and Construction, aimed at members of the layman committee but eagerly audited by the concerned parents, Bowman explained that the California state system of approving building plans for new schools (and assisting with building funds) does not function until students are in the district and can be physically counted.

"Just because you have $20 million in bonds you can't just start a school. It doesn't work that way," Bowman informed the crowd.

Also on the drawing board, Bowman revealed Thursday night, are plans for the John O. Tynes Elementary School, east of Placentia's new City Hall, for which square footage has now been justified to the state and a second elementary school in Anaheim on La Palma, east of Imperial Highway.

But that is only the beginning. Six additional elementary schools will be required in the 34 square mile Placentia District, along with another junior high school and an additional high school.

"We're going to have discussions next week with the owner of the property at the southeast corner of Alta Vista and Van Buren where the tree farm is, to put a new junior high school," Bowman explained.

"That junior high school will be associated with Esperanza and Bernardo Yorba will be associated with the fourth high school that will be built east of Bernardo Yorba," Bowman explained to the vocal parents.

"We are in a state of flux. To know exactly where your children will go to school....that is down stream," Bowman articulated.

"What are we going to do about the future overcrowding at Bernardo Yorba and Esperanza? Not short term, but long term. That is the problem. We're going to have short term overcrowding at Tuffree and El Dorado but it's going to peak and pass and Kraemer and Valencia are going to continue to climb. But Esperanza and Bernardo Yorba are going to explode!" Bowman warned the parents.

Of concern to the committee Thursday and to parents, were Bowman's suggestions that Sierra Vista Elementary School attendance boundaries be shifted to make room for youngsters from 150 new homes now under construction. The eastern section of the attendance area, splitting down the center of Tuffree Boulevard, would instead attend Brookhaven Elementary.

The move would level the projected class size out at both schools to 29.9.

No parent in the room liked the idea.

Bowman also explained that first returns from the new housing near Placentia Avenue and Palm Drive, is producing 1.2 children per unit instead of the expected .6, thereby further deepening the problem.

"If that continues," Bowman explained. "Sierra Vista will not gain 90 children, they will gain 197".

Parents generally spoke in favor of busing the youngsters living in the new construction and leaving students already in Sierra Vista where they are. Sierra Vista currently has 1,173 single family units in the attendance area.

"If we detach 144 houses from Sierra Vista to compensate for the 150 that are being built, Sierra Vista attendance area will have 1,179 and Brookhaven 1,079," Bowman explained. [Continued on Page 2]

A Closer Look

Deciding what to save first in case of fire may be a simple dilemma compared to the quandry now confronting Placentia citizens... what goes first into a time capsule?

That problem is a small part of a much larger project, so important that it takes an entire year to attain it...remembering to give thanks to this country of ours for what it has accomplished, what it stands for today throughout the world and what we hope for in its future.

The 1976 Bicentennial.

Actually, the time capsule is for a second important event this year...Placentia's 50th birthday which takes place on December 2, 1976.

A committee of our neighbors is already at work to plan occasions for all of us to show our appreciation to those who went before us. The men, women and children who built this country and set the heights of its ideals.

Our gratitude is equally appropriate to the founders of Placentia, each and every person who has contributed to its well being.

From all of this will be gathered five cubic feet of time capsule items to be buried in the undeveloped park that surrounds the Bradford House. Your suggestions and ideas will be gratefully received by the members of Placentia's Bicentennial Committee, who are hard at work preparing both celebrations.

A quick look at the headlines of any metropolitan daily is sufficient to remind us of our good fortune to be living and alive in the United States of America.

And for many of us who have sought a pleasant place to live, we are appreciative for the virtues of Placentia.

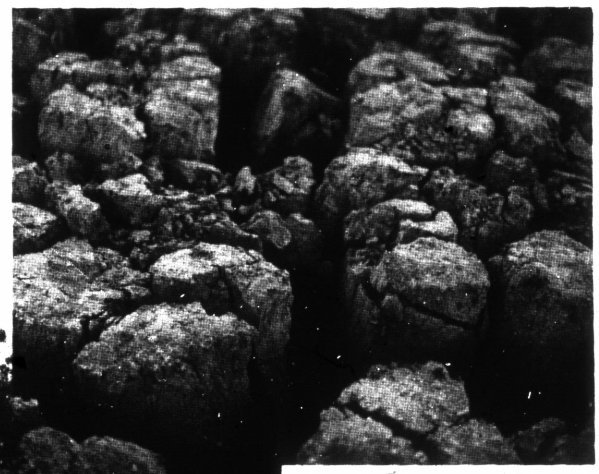
[Continued on Page 2]

How Dry Was It?

THERE WAS A LAKE around here someplace...but then no rains came. And Placentians discovered this week that there is no more Lake Placentia. A victim of the record making drought and also redevelopment plans, the Lake, which was once a water reservoir had disappeared into thin air.

However, the courageous band above found the lake bottom an interesting, if somewhat hazardous walk [see insert] as they stepped gingerly over deep crevasses where fish used to hide, but hide no more. Many were transported to a Placentia pond awaiting the complete redevelopment of this basin which is now Tri-City Park, owned by Placentia, Fullerton, Brea and Orange County.

The intrepid group above include Mrs. Zoe Long, Mrs. Suzanne Fouchey and youngsters Debbie Riley, Lisa Fouchey, Kristine Fouchey, Christie Prager, Jeanne Prager, Carolyn Long and David Long.



Placentia On Television

The city of Placentia will be spotlighted on "Voters' Pipeline: City Spotlight" at 7:30 p.m. Friday, Jan. 30, on KOCE-TV, Channel 50.

The program will be repeated at 3 p.m. Tuesday, Feb.3.

Joining host Jim Cooper on "Voters' Pipeline" to discuss the city of Placentia will be Robert B. Lyons, mayor; Edwin T. Powell, city administrator; and Jean Pappas, board member, Placentia Unified School District.

Cooper and guests will discuss the growth, the history and the future of Placentia.

Placentia began as a Spanish land grant, was later developed as an agricultural community and is now predominately a residential community with a population of 30,500.

In 1972, Placentia was awarded the title "All-American City" by the National Municipal League and the Saturday Evening Post.

On "Voters' Pipeline," host Cooper and guests will discuss what makes Placentia an "All-American City."

Slides showing some of Placentia's historical houses and buildings will be shown along with pictures of newly developed areas in the city.

Jim Cooper is executive producer of "Voters' Pipeline," and Carrol Ellerbe is producer-director of the series.

Langer Out; Three Others File Papers

With a February 10 deadline approaching, three candidates for city council seats have formally filed their papers of the nine persons who have elected to take out official forms for nomination.

This week Councilman Robert Langer announced that he will not seek reelection, joining Mayor Robert Lyons in that decision. Mayor Pro Tem Michael Callahan has stated that he will run.

Two additional Placentians asked for nomination forms including Wally Curl, the principal of Ruby Drive Elementary School. Curl, who is well known in the area, has been especially active in Little League.

He, with another prospective nominee, Rollin O'Connell of 1278 Montevideo, have both issued statements that neither has made a firm decision as to whether they will complete filing. Curl lives at 1726 Kingston Road.

A third prospective candidate, who says he will not file is Benjamin Sergent of 137 Beal.

Completing their filing are Wayne Bolger, former member of the Beautification Commission; Ed V. Jones, Placentia businessman and Virginia Farmer, a current Trustee of the Placentia Library District.

Others who have taken out papers but have not completed the filing process include Don Holt, who ran for a city council seat two years ago; William Rashford, chairman of the Placentia Planning Commission, who must resign his seat in order to run and Mayor Pro Tem Callahan.

Three city council seats, a majority of the council, will be filled at the April 13 election. A briefing for prospective candidates has been set for February 11. A city treasurer also will be selected by votes.

On the same ballot, the question will be posed to electors as to whether the Bradford House, the home of A.S. Bradford, the founder of Placentia, should be saved or destroyed.

Paramedics Tax Issued Delay

An effort to put a county-wide Paramedics tax on the June ballot, will be delayed until the November election, the Orange County Administrative Office indicated this week, to permit more input from the various cities involved, including Placentia.

The tax to be placed before the electorate in November will probably be a 12 to 13 cent top maximum per assessed valuation, tax, expected to generate roughly $6.7 million annually, Mike Adams, Administrative Analyst of the Orange County Office reports.

Adams said that the actual amount required the first year would probably be 9.96 or roughly 10 cents per $100 valuation.

[Continued on Page 2]

Fire Hydrant Blues? Add Red And White!

The Placentia Junior Round Table and the Placentia Bicentennial Committee are jointly sponsoring a fire hydrant painting project.

The idea behind the project, the group explains is to have residents and businesses in Placentia help to celebrate the nation's bicentennial by painting fire hydrants with a patriotic motif.

Judi Olsen, project chairman, has announced that applications and fire hydrant outline drawings are now available at the Bank of America, Valencia Bank, United California Bank, Placentia Chamber of Commerce office and the Placentia branch of the Southern California Water Company.

Before actual painting is done, each person must make a color sketch of how the finished hydrant will look, fill out an application and mail or bring them to the Water Company office, 130 N. Bradford. Mrs. Olsen will check these for suitability and will issue the required permit and supply the necessary paint (red, white, blue, black and flesh are available). Residents are reminded that painting hydrants without a permit is against the law.

Any questions concerning this project may be directed to Judi Olsen, 524-8339.

NEW NEIGHBOR ON THE BLOCK, the red, white, and blue variety. Can't place the face, but there is something familiar about the wardrobe. What may well be the first Bicentennial fire hydrant in Placentia, is encountered by Judi Olsen, Junior Round Table member and her young son Tommy. Judi, who discovered this brightly painted gentlemen on Berkenstock Lane, soon will be heading the Juniors efforts to redecorate Placentia fire hydrants in Bicentennial splendor. Rules and suggestions on how to go about painting one all your own, will soon be available to the public, who will have an opportunity to paint by the numbers...mainly 1776. The smaller soldier Tommy is holding is a bank.

Spring Here! It's Little League Time

Anyone who will be 8 years of age before August 1, 1976 and who will not be 16 before August 1, 1976, is eligible to sign up for Little League baseball in Placentia, the League said this week.

Registration donation for the Junior Division is $15 for the first boy and $10 for each additional child with a maximum of $35 a family.

Registration donation for the Senior Division is $20 for the first child and $10 for each additional child with a maximum of $35 a family.

Sign ups for both of Placentia's Little Leagues will be held on Saturday, January 31 from 9 a.m. to 4 p.m.; Wednesday, February 4 from 7:30 p.m. to 10 p.m. and Saturday, February 7 from 9 a.m. to 4 p.m. All registration will be at the Valencia High School Cafeteria.

Big League Signups will be announced at a later date.

Tryouts for junior divisions will be held Saturday and Sunday, February 14 and 15 at Valencia High School. Senior and Junior makeups will be held Saturday, February 21 and Seniors only will try out on Sunday, February 22.

The Little League season will open on Saturday, April 3.

ED V. JONES has filed his nomination papers for a seat on the Placentia City Council.

Langer Declines To Seek Reelection

To The People of Placentia:

Each election year incumbent councilmen have to make the ultimate decision whether or not to run for re-election. For me this decision has been a relatively easy one. I have decided not to seek re-election. My decision is based upon the following considerations:

1. The commitments and promises I made to myself and to the People of Placentia have been completed. Our accomplishments over the past 8 years include: Our City is financially sound; City property tax has been lowered 21 cents; our City tax base has been broadened by attracting desirable commerce and industry; completion of 6 park sites, 5 recreation buildings and 2 swimming pools; completion of 2 essential storm drains to avoid flooding; provided a meeting place for our Senior Citizens; young people have become involved in their City government by serving on the Recreation and Parks and the Beautification Commissions; construction of a new Post Office, hospital, etc.

2. I have served our City in an appointed and an elected capacity for almost 10 years, and I feel this is long enough. These responsibilities should be shared by more people in our City.

3. I do not believe in career politicians. Eight years of serving in an elected capacity is ample time for any individual to serve at any level of government.

4. I have tried to serve all the people all the time and to the best of my ability, always keeping in mind our City's motto "The People are the City."

I would like to thank the People of Placentia for their trust, faith and confidence during my tenure in office.

We are indeed fortunate to have an outstanding City Administrator and City Staff. Their dedication and service to the City is one of the main reasons why Placentia is a "pleasant place" to live. I would like to thank our City Administrator, Edwin Powell, and the staff for their support.

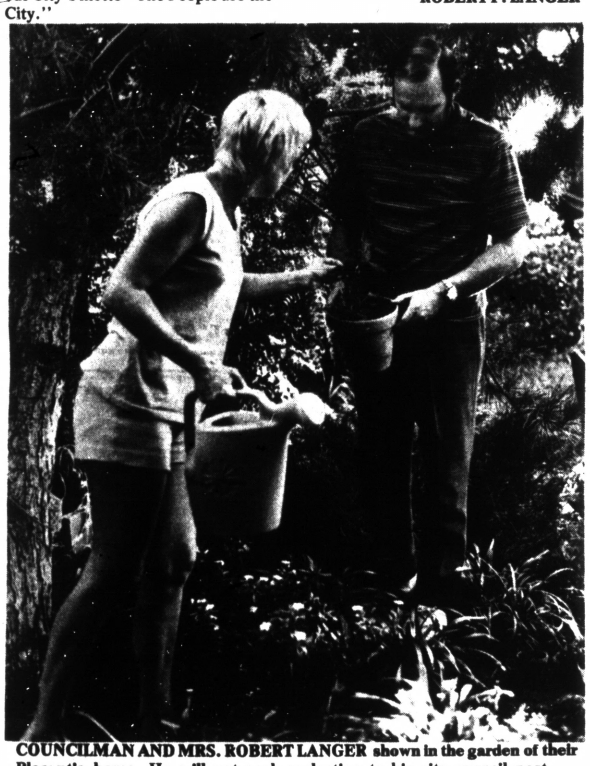
A special tribute and thanks goes to my lovely wife, Marge, and our two sons, Jim and John, for their patience, understanding and sacrifices over the past 8 years. Being away from home literally hundreds of nights attending City meetings requires an understanding family.

In the forthcoming City Council election I hope that the voters of Placentia will elect three new Councilmen whose new philosophies, goals and ideas will blend with the old and restore confidence, dignity and respect to the Council Chambers.

I feel sure that the voters will select men and/or women who are good logical thinkers with vision and imagination, willing to try something new, think independently but work collectively toward common goals, will not abuse or mis-use City funds, and do what is in the best interest of all 32,000 people.

Again, thank you, the People of Placentia, for allowing me the opportunity to serve you, and allowing me to use your Council Chambers for a little while.

Sincerely,
ROBERT P. LANGER



COUNCILMAN AND MRS. ROBERT LANGER shown in the garden of their Placentia home. He will not seek reelection to his city council post.

Ed Jones, Candidate Issues Statement

"I would like to take this opportunity to introduce myself as candidate for City Councilman. My name is Ed Jones, I am 49 years of age with a wife, six children, three of which are married, three living at home, and five grandchildren.

"I have been a resident of California since 1942. I am a Placentia business man and have for the past six years lived at 242 Pageantry Drive in Placentia. I own property in the City of Placentia and recently re-located my business by building my new business facility located at 930 Lawrence Avenue, previously located in Fullerton, California.

"Socially, I have been a member of the Elks Lodge, past president of the Lions Club and I am at the present, president of Saint Catherine's Military School.

"I attended college in Texas, studying engineering, thereafter, entered the construction business world.

"My hobbies consist of restoring Model A's.

"I have been requested by numerous people in Placentia to run for City Council. I believe it is our duty as citizens to fulfill our obligations in civic and other organizations in order to try to better the environment in which we live.

"I would truly like to help see that the City of Placentia is a well run representative of it's people. 'Thek

"I would truly like to help see that the City of Placentia is a well run representative of it's people. 'The People Are The City."

Homeowners In Court With Brea-Union Oil

the developers and the Union Oil Company, of which Moreland is a subsidiary.

The hearing is now scheduled to begin at 9 a.m. Wednesday, February 4.

The homes affected are located at the northern border of Placentia between Kraemer Boulevard and Valencia Avenue.

Court action to halt the building of an industrial center in Brea, directly behind $70,000 homes of Placentia citizens, was continued last Tuesday in Superior Court.

Members of the Placentia-Golden Homeowners Association are bringing action against the city of Brea, Moreland Development Company,

BOBETTES SIGNUP

The Placentia Bobettes will continue registering girls through Saturday, January 31st. Minor girls should call Pat Flett, 528-5605. Major girls call Gerry Knutson, 524-1641. Volunteers are also needed in the various areas that keep the league runing smoothly, the organization advises.

Highway — Widening Is Three Disasters!

Frank McGorky, Placentia, was wondering this week if it is his fate to stand in the way of progress.

McGorky's, who is owner of the Foster Freeze outlet on Chapman Avenue, most recent bout with the future concerns the widening of the Chapman Avenue boulevard. His business is right in the path of development.

However, this is not a new experience for McGorky, who at one time lived in Detroit, Michigan.

There, he and Mrs. McGorky had their dream house complete with swimming pool.

"They decided to put in an expressway," McGorky recalls, "and it was to go right through our living room." "We protested, so they moved it a little ways and left us on the off ramp. It was terrible."

"We had $20,000 invested in the house and we sold it for $14,500. But that wasn't the end of it. That same darn expressway wound around 20 miles and hit the only other property we owned...some acreage. It went right through the middle of that and ruined the property. It was worthless!"

"Now, here we go again," said McGorky surveying the council adopted plan to bring the Chapman Avenue expansion right through his parking lot.

"I can't understand it," McGorky philosophized this week. "I guess I was just born to be an impediment to progress!"

Miss Placentia Pageant Announced

Chamber of Commerce President Rose Lembke announced today that the 1976 Miss Placentia Pageant will be held Saturday, April 24 in the Valencia High School Auditorium, with Richard Harman serving as Chairman of the pageant.

Harman is a member of the Chamber Board of Directors and father of Miss Terry Harman who served as Miss Placentia 1972-73, Miss Orange County 1973-74 and 2nd Runner-Up to Miss California 1975.

"A few rule changes have been made this year" stated Chairman Harman, "The pageant is open to unmarried girls, age 17 to 26, living or working within the city boundaries of Placentia, or attending school in the Placentia Unified School District."

Harman added, "Final judging will be based on (1) Talent Competition, (2) Swim Suit Competition, and (3) Evening Gown Competition, and the judges will also be looking for an intelligent young woman who possesses dignity, poise, charm, good manners and that intangible called personality."

Applications are now available at the Chamber of Commerce office, 127 So. Bradford Ave., Monday through Friday - 9 a.m. to 4 p.m. Deadline for applications is Friday, March 12.

A Closer Look

[Continued from Page 1]

In between our many activities and the number of things that catch our interest, the Bicentennial committee of our neighbors will be providing reminders to us to pause briefly, take note and give thanks.

They can use assistance from all of us.

Their approved list of activities is numerous.

Elsewhere on this page is a new project, painting fire hydrants to resemble Bicentennial figures. This should not only add a dash of color around the city as there are 1,400 fire hydrants. But also provide a touch of humor, one of those essential ingredients to any worthwhile All American cause.

If you want to assist in this endeavor, call Judi Olsen at 524-8339.

Bronze Bicentennial Medallions with the official emblem on one side and the Placentia seal on the other are available at a number of places including City Hall.

For those who would like to wear one and would like a Medallion properly punctured to wear, contact Jane Rissi at 528-1629.

We will all be invited to the Time Capsule commemoration and a host of other events and activities before 1977.

Potential planning now includes a big celebration for the Fourth of July to include an All States city-wide picnic.

A Heritage celebration in October with a parade, picnic and many other events.

A Drum and Bugle Corps competition, Flag Contest, Fly the Flag Campaign, development of the Heritage Park around the Bradford House, Dedication of the unique Key Ranch and Home, the first pictorial color postcard for Placentia and an All America City stamp cancellation and first day cover from the Placentia Post Office.

The more we participate, the more each of us will benefit.

Let's make it a spectacular year. See you at the Time Capsule!

Paramedics Tax

[Continued from Page 1]

"But if we voted that in, we would immediately be at the top with no place for expansion. The other two or three cents would allow space to grow" Adams explained.

Preparations for the ballot measure, which Orange County Supervisors were expected to look at again Tuesday, are expected to include additional municipal input through the California League of Cities, Orange County Section, Adams said.

The target date to put the new taxing plan into effect would be July 1, 1977, the day after Placentia's present Paramedics contract with Orange County expires.

The taxing authority would be for a two year period, Adams stated.

The $6.7 million county-wide package would provide for the Paramedic training which is now carried out at the Orange County Medical Center and at Santa Ana-Tustin Community Hospital.

If voters pass the measure, it is expected that the Paramedics would be governed by a large board made up of representatives from all Orange County cities involved in the project.

A Paramedics team according to current planning could be stationed for every 60,000 residents, regardless of city boundaries, with each citizen paying the same amount for the service. An estimated 30 Paramedic units is expected to be required.

Placentia is currently receiving Orange County fire and paramedic service under a one year, seven month contract which tallied up to $1,001,239, and expires June 30, 1977.

Citizens absorb all the cost generally with no fee charged for uses as is done in some cities.

The city of Placentia first contracted for Paramedic service starting July 1, 1975 with a price tag of $61,00 for the first year. The cost has since been incorporated into the overall fire-paramedics county contract.

SENTIMENTAL JOURNEY--for the youngsters above and others who will be making the trip to Placenza, Italy, will take place in June. It's a return visit of American youngsters from Placentia, USA to their counterparts in the Italian city of the same name. Almost a year ago, 25 Placenza students travelled to American shores to visit their pen pals and now some of the same youngsters will be making the return voyage. In the picture, top, left to right, are Jeannie Normandeau, John Brannon, Gary Spindler, and Mrs. Eva Carter, in charge of the trip. Seated in the center Darren Aitken, Mark Agrusa, and Michael Carter. In front are Laura Ruscitto and Ken Spindler. The visit is scheduled for June 15.

Boundary Ruckus

[Continued from Page 1]

Approaching the principals' dilemma, Bowman also pointed out that youngsters in an attendance area, rarely come in a convenient size of 60, therefore necessitating combining grades in one room to avoid illegal class sizes.

Attendance at Brookhaven, where no building is now in progress is dropping.

"What I'm worried about is that the schools get out of balance and the educational program at the real small school will start to suffer. We know other areas in Southern California where this is already happening.

"What we're trying to do is get through the hump of the next three years," Bowman outlined. "Each school will have an eventual size of about 600."

Half day sessions also were mentioned in the dialogue.

"Sierra Vista has two portables. We're badly in need of them in the east as soon as we can get them out of there," Bowman expanded on another problem.

"We are going to be in dire need of two elementary schools in the fall of 1977. If we buy portables it decreases the square footage. If you lease them, it comes out the education fund," Bowman explained the dilemma.

Questions and suggestions from the audience included: "Why does it have to be the people who are established versus the new people? Can't you bus the new area to the other school?"

"What is the difference of the quality at Sierra Vista and Brookhaven?" A Brookhaven teacher responded: "Where I am there are three teachers and 96 students."

"I would call this an adjustment for youngsters who have come out of classrooms of 30 that are completely self contained," a parent answered.

Parent: "Is there any way the upper grades can stay at least their last year?"

Another: "Take the Fullerton people out!"

Parent: "You have people coming into an area who are not established in a school district. If you are going to uproot anybody, the logical thing would be to send them to Brookhaven rather than uproot a bunch of people who are established."

Parent: "Why doesn't the school district standardize the quality of education throughout the district?"

Committee member: "I have spent three years on this committee and it's the first time I have ever seen so many people in the audience! We're trying to do our best."

The problems were equally ponderous for the Van Buren parents, whose youngsters on graduation, would not proceed to Bernardo Yorba Junior High School and Esperanza High, which are overcrowded but would take up slack at Kraemer Junior High School and Valencia High School.

Bowman explained to this group "We peaked in this area; then we went stagnant for about 18 months and then it really started. This does not include the Upper K Ranch or the Dominguez Ranch (in Yorba Linda). We don't have any figures on that."

"We're going to build a new junior high school, new high school and six elementary schools in the eastern section within the next five years.

Bowman explained that youngsters in Anaheim, east of Imperial Highway are already being bused "because Glenknoll (Elementary) is completely saturated. We are considering adding to the Van Buren attendance area and taking away from Glenview and Orchard (elementary schools) because of the heavy saturation."

Bowman further added: "If they pull the (oil) wells, this entire area is ripe for subdivision!"

Parent: "Why don't you take the people in the new homes and bus them over to the new area. There are people here who have suffered for six years. We really are pawns of this committee...when you start tampering with the boundary lines."

Bowman further explained that the Van Buren students would stay at Kraemer and Valencia until the fourth high school is built.

Parent: "Will anything be done to increase the standard of education that comes out of Kraemer?"

Another: "I'd rather stay at Yorba...but if I had to move I'd rather go to Tuffree."

Bowman also outlined that students east of Fairmont between La Palma and Esperanza, will be bused to Golden Elementary first through third grades; kindergarten, fourth, fifth and sixth will be bused to Orchard and students from the housing developments east of the new Placentia City Hall will be bused to Wagner Elementary School.

One Van Buren parent expressed her concern. "I have a boy who will be a senior at Esperanza. He would stay. But my daughter then would be at Valencia. One in one school and one in the other."

"The football games should really be neat!" another parent added.

Mrs. Bonnie Korn, Yorba Linda one of the Van Buren parents asked: "Could you consider closing Bernardo Yorba and Esperanza to any new students from any new constructed area, and busing those students into Kraemer and Valencia or to any school where facilities are available, leaving the children who are already attached to Girl Scouts, Boy Scouts, Little League in the Yorba area and taking those children who are not yet established and busing them?"

Bowman also pointed out that the district, which is now at an enrollment figure of 16,931 is expected to grow to 35,000 students.

Van Buren parents will hold a special meeting with committee members in the Van Buren Multi Purpose Room at 7:30 p.m. Thursday, January 29 and Sierra Vista parents are expected to return to the committee's regular meeting in the PUSD Board Room, Thursday, February 5 at 7:30 p.m.

Final decision on the boundaries will be made by the Trustees of the PUSD School board.

MADCAP "MAME" will titillate audiences Thursday and Saturday when El Dorado High School drama students present the entertaining musical. Cast members above include Debbie Voigt, Bob Olsen, Mike Rosenberg and Deanna Musgrove. Performances will be given in the Valencia High School Auditorium.

Musical "Mame" A Must

The musical comedy "Mame" will be staged by El Dorado High School drama students at 8 p.m. Thursday and Saturday, Jan. 29 and 31, in the Valencia High School Auditorium, 500 N. Bradford Ave., Placentia.

Playing the title role will be Deanna Musgrove, along with leads Mike Rosenburg as Patrick Dennis, Debbie Voight as Agnes Gooch, Karyn Walker as Vera Charles and Mike Halverson as Beaure--gard Jackson Pickett Burnside.

Second lead roles will be filled by Robert Pratt as houseboy Ito, Laura Belitze as socialite Gloria Upson, Tim DeWeese as Lindsay Woolsey and Bob Olsen as banker Dwight Babcock.

Others in the cast are Renee Anello, Anne Bannon, Saif Bayati, Steve Bayati, Laura Bellizzi, Linda Brundage, Mike Burkman, Doug Effenburger, Tom Gallivan, Glen Gentillian, Craig Hill, Shawna Hill, Scott Johnson, Margie Oldendorf, Lucinda Overton, Eric Post, Kent Riehm, Marilyn Stambaugh, Greg Sykes, Eric Traub, Lisa Trook and Mike Zukoski.

A 60-voice chorus conducted by Dwight Fichtner will support the acting cast directed by Gai Jones.

Tickets will be available at the door for $1.75 for general admission and $1.25 for students with cards.

CHAIRMAN

Dean Davisson is the 1976 Crusade Chairman for the Orange County Unit of the American Cancer Society...**Placentia Presbyterian News.**

NEW FLAGS

Two new flags were raised at Sierra Vista recently. Honey Leas' fifth grade class has gotten a Bicentennial flag and a Capital flag obtained by Cong. Charles Wiggins.

Preschool Course For Parents

Palo Alto Preschool in Yorba Linda will be sponsoring an eight week course in Parent Effectiveness Training, a method developed by Dr. Thomas Gordon for increased family harmony.

P.E.T.'s problem-solving approach to conflicts teaches a way of arriving at solutions that are acceptable to both parent and child.

When this method is learned and used consistently by parents, their children will much more readily accept rules and standards of conduct, simply because they have participated with the parent in establishing them.

The Thursday evening class will begin January 29th from 7 to 10 p.m. A special reduced tuition is available to parents of children currently enrolled in Palo Alto Preschool only. For further information please call 524-1781.

Troy Orientation

Junior High parents night will be held Thursday January 29 at 7:30 p.m. in the Troy High School Lecture Hall for all parents of incoming ninth grade Troy students.

The counseling staff will explain the registration process, discuss course offerings and review some of the necessary information for future planning.

Teachers from several departments will be available for questions and all parents are urged to attend.

Navel Shaking

Classes in Belly Dancing are being offered at Yorba Linda Junior High School beginning Thursday, February 5 by the Yorba Linda Recreation Department.

A class for beginners will meet each Thursday from 6:30-7:30 for eight weeks. An intermediate class follows from 7:30-8:30. The instructor is Lois Rocci.

The registration fee is $15 for the entire session. Interested persons may register at City Hall. For further information call 524-5020.

T/A FILM SERIES

The eight programs in the Learning To Live series are designed to assist persons in better understanding some of the basic problems in communications between people. These films increase awareness of personal power and potential for self-direction and provide ways of changing unwanted patterns of behavior in order to achieve more honest and fulfilling relationships.

Thursdays 9:15 A.M. & 7:30 P.M.
February 5 - March 25, 1976

United Methodist Church
OF YORBA LINDA
19002 Yorba Linda Blvd. at Ohio St. 528-7066

LV Asks Donations Of Games

Staff members at Yorba Linda's Linda Vista Elementary School are presently attempting to gather materials and supplies in order to make a Recreation Room available to students during the lunch time hour.

"Some students would rather not be outside during this time, and that's fine too." states Don Anderson the school's principal. "Why not provide indoor activity for those desiring to have it?"

Local residents are urged to consider the donation of chess and/or checker boards no longer in use at home. Ping Pong has been suggested as another possible recreation activity.

Perhaps the closet houses long-forgotten games, or equipment that longs to once-more be used by young children. Interested persons are urged to contact the school regarding Recreation Room donations. Staff or P.T.A. members will gladly arrange to pick up items.

New PacTel Center Set

Pacific Telepone today announced plans to spend $50 million for new construction and equipment in Orange County during 1976.

General Manager E. W. Dey said the largest single project in the proposed program will be the installation of switching equipment in a building at 4302 Ford Road in Corona del Mar at a cost of $1.7 million.

Ground is scheduled to be broken during 1976 for a new Central Office in Yorba Linda, Dey added. The site is at Yorba Linda and Kellogg.

Other key projects will include completion of million-dollar additions to company buildings in Fullerton, Santa Ana and Anaheim.

The general manager pointed out that of the $50 million program, nearly half is destined for outside cable projects throughout the country, with some $18 million going 'out of sight,' or underground.

Dey said that as of January 1 there were 1,126,000 telephones served by Pacific in the county, an increase of 70,000 over last year.

Bob Frankeny
For CITY COUNCIL
A Concerned Citizen For Concerned Citizens

Bob Frankeny

Our city has and will continue to grow, and in it's growth, it must prosper. In keeping with our environment and atmosphere, we must plan for a balanced and united community with increased citizen participation, for recreation, parks, and services for junior and senior citizens. To finance these programs and growth, a sound financial program with the promotion of controlled economic growth will be required.

Carrying out these programs, I will put every ounce of energy into retaining a Yorba Linda which will benefit all of the people in our community.

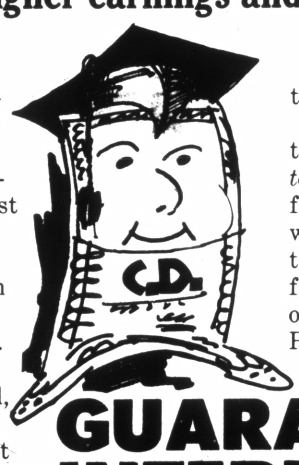
Transfer your savings certificate account to Pomona First Federal!

We guarantee no loss of interest, and can also guarantee higher earnings and annual yield!



If you opened a certificate account several years ago that account may be ready to mature. It is probably at a much lower interest rate than savings certificates available today. Unless you take *specific* action on that account, you stand to lose substantial interest.

At Pomona First Federal, your Financial Friend, you can transfer your account to higher earnings, at no cost or loss of interest to you. In a Pomona First Federal certificate account, your funds can earn up to 7¾% per annum—an annual yield of 8.06%!*

Remember, if savings certificates are left to renew (which they do automatically ten days after they mature), you'll be losing important interest—the difference between the interest rates of the past and the higher rates of today.

Bring your certificate in to Pomona First Federal *today.* We'll be glad to transfer the account, no matter when your certificate matures, 30, 60, even 90 days from now. That's the spirit of Financial Friendship at PFF! Guaranteed Interest!

GUARANTEED INTEREST!

5¼% per annum passbook accounts $5.00 minimum	ANNUAL YIELD	5.39%
5¾%* per annum 90 day Bonds $1000 minimum	ANNUAL YIELD	5.92%
6½%* per annum 1-10 year Certificate $1000 minimum	ANNUAL YIELD	6.72%
6¾%* per annum 2½-10 year Certificate $1000 minimum	ANNUAL YIELD	6.98%
7½%* per annum 4-6 year Certificate $1000 minimum	ANNUAL YIELD	7.79%
7¾%* per annum 6 year Certificate $1000 minimum	ANNUAL YIELD	8.06%

*Of course, federal regulations require a substantial interest penalty for early withdrawal. All yield figures are based on earnings remaining in your account for one year. Availability of Certificate Accounts is limited and may be withdrawn at any time.

KATIE'S COLUMN or DOWN ON THE FARM by Kay Starr

Do you ever find yourself looking at yourself as if you had never seen yourself? How long have I had these feet of mine? Too long, but they have been good to me. However, that's not what got me to thinking about them, it is their size. Enormous.

It also occurred to me that I have passed on to my children this characteristic. For instance, after complaining about my new boots being too tight for the umpteenth time, my older girl tried them on and found the fit just right.

For years she has been telling me that her ambition is to grow up big and strong just like her mommy and wear her Army boots. Well, the boots are not G.I., but do indicate that her feet are nearly as big as mine.

If you consider the size as an indication of how tall a person could become, I really should stand much closer to the clouds, my daughter should too. Which brings me to some of my male off-spring.

The oldest should be somewhere between 7 and 9 feet tall according to his foot size which varies between 13 and 15. My youngest son hasn't completed his growth yet but all indications point to his reaching conventional ceiling height based on his size 12 feet.

Of course my little one has years to grow yet, poor child, because she's almost up to my boots now. She does not care to follow in her Mother's footsteps, so she's studying the old Chinese method of foot wrapping.

It is my second son who somehow did every thing right. He has a height comparable to his foot size, very coordinated. He's taking no chances of continuing the "big foot" syndrome for he married a girl with dainty feet and height to match.

No Army boots for her, they don't make them that small. Ah, well, it's off to the shoe store for another pair of boots, not so tight this time.

January seems to be a month when most people find themselves with large bills to pay for their generosity the month before. In which case maybe you are in need of a job, or for some other reason you are job hunting.

My attention was called to a loose-leaf note book that is in the reference room of our Yorba Linda District Library entitled "Job Hunting". Inside are lists of jobs available throughout the county giving the deadline when applications are accepted plus the salary paid, and a telephone number to call for further information. This is just one of the many services that are provided to the community by the library staff.

It is just possible that I have started a trend back to the good old days. When we moved into this house you will recall I spent some time at the local laundromat, but then decided a washer was a necessity.

A dryer was a luxury, and so I strung up some rope from roof to tree. Except for a couple of days, the wash has always dried. Now I see that some of my neighbors are stringing up some line too. Saves on gas and electricity. Clothes smell good, too.

Date For Candidates Night Set

A Candidate's Night for all candidates seeking election to Placentia municipal offices, has been tentatively scheduled for 7:30 p.m. Wednesday, February 11. The date follows close of the nominations.

The purpose of the meeting is to provide the candidates with information about the city government, provide a briefing on legal constraints affecting local campaigns and give the candidates an opportunity to pose questions.

"People Mover" At Golden

The "People Mover" will be coming to Golden School February 5 and 6. Not to be confused with the Disneyland ride, the "People Mover" is an extraordinary program of entertainment, which includes magic, comedy, stories and skits aimed at getting along with others, right attitudes and good citizenship.

The Student Council, assisted by Golden PTA, will sponsor this variety program at a student assembly February 5. The following evening will be "Family Night" and will feature a brand new program by the "People Mover." A special segment of the evening will be entitled: "Happy Birthday to U.S.", a refreshing look at America's heritage.

Golden PTA will have a pre-sale of tickets for "Family Night" and tickets will also be available at the door the night of the performance. The "People Mover" is a program that has delighted more than one million people

Kevin Furlong Promoted

Promoted to staff sergeant in the U.S. Air Force is Kevin J. Furlong, son of Dr. and Mrs. M.G. Furlong, 807 Magnolia Ave., Placentia.

Sergeant Furlong is assigned at Ft. Meade, Md., as a voice processing specialist. He is a member of the U.S. Air Force Security Service.

The sergeant, a 1971 graduate of Troy High School, Fullerton, attended Fullerton College and the University of Maryland.

BICYCLE SAFETY - Glenknoll School students had their bicycles inspected by Hubert Scott of the Automobile Club of Southern California. The bike of Jennifer Kaufmann and many other students were checked all over, by use of a modified dynamometer and visually, to detect defects. The program is designed to curb bicycle injuries and encourage greater driver responsibilities.

Photo by Gary Ambrose

TREATS FOR EVERYONE---Local Blue Bird and Camp Fire Girls were conducting their annual nuts-candy sale this week to earn money for their operating budget. Above is Placentia Blue Bird Caren Osborne one of the many attractive young salesladies at banks, supermarkets and selling door to door in their neighborhoods.

Camp Fire Holds Sale

Placentia and Yorba Linda Camp Fire Girls and Blue Birds are now selling special candies and boxes of nuts on their annual traditional three weeks sale, the organizations reported this week.

The girls will be selling the specially packaged products in front of banks, supermarkets, department and local stores and in a door-to-door campaign.

Each box sells for $1.25 or $15 a case, the same price as last year, the group states.

"This is the one time of the year that girls belonging to Camp Fire go the public for support," the organization reports. Profits from the 1976 Candy Sale provide a large part of each council's annual operating budget.

No-No's On Garbage Disposal

The Yorba Linda County Water District general manager Ralph Shook reminded residents this week not to put grease and egg shells into garbage disposal units.

Those who do, Shook said, risk a disruption of their service and can incur costly repairs for the district.

"Grease and egg shells can plug up a sewer line causing stoppages and manhole overflows," Shook said. "They can also clog lines right in the home, meaning the homeowner will face a plumbing bill."

Both grease and egg shells should be placed in the garbage can. "We're trying to save the district and the homeowner money," Shook said.

Drinkers are never competent to judge THEIR OWN ABILITIES! Critical judgment and ability are impaired by every drink... and increasingly by each successive drink.

Welcome Wagon

JOYCE KNOWLES 524-2792

Processing, enrichment and additives are reasons U.S. food is as inexpensive as it is. Without these, plus the chemicals farmers need, the real health hazard would be starvation, not some esoteric disease that could affect .0001% of the population.

*****

Membership Coffee For Round Table

The Placentia Round Table will hold a mid-year Membership Coffee on Thursday, January 29, at 10 a.m. at the home of Mrs. Leger Grindon. 1306 Limerick Dr., Placentia.

The club is a federated philanthropic organization belonging to the Orange District, California Federation of Women's Clubs and supports and sponsors many local community activities.

Any local resident is eligible for membership and is invited to attend. Further information is available by contacting Mrs. Robert Nally, 528-4816, or Mrs. Grindon, 993-0592.

Wiggins Chooses Nominees

Congressman Charles E. Wiggins announced today that he has nominated 41 young men and women including two from Placentia and three from Yorba Linda for appointments to the U.S. service academies.

These young people have successfully competed against many other applicants on the basis of their academic standing, extracurricular activities, physical aptitude, recommendations from school authorities, as well as their personal motivation for seeking appointment to one of the academies, the Congressman reports. The academy in each case will make the final determination and offer appointments to those who they feel are the best qualified to fill a limited number of vacancies in the class to enter in July of 1976.

Those nominated for appointment to the United States Air Force Academy include: Kenneth Dressel of Placentia and Paul Gant of Yorba Linda.

Among nominees for appointment to the United States Military Academy are: Kerry Amstutz of Placentia and Eric Roehl of Yorba Linda.

Those nominated for appointment to the United States Naval Academy include Mark Reinsvold of Yorba Linda.

Applicants are now being accepted by Congressman Wiggins from unmarried young men and women between the ages of 17 and 21 who are residents of the 39th Congressional District and wish to enter one of the U.S. service academies in July 1977. High school juniors and others interested should contact the Congressman by writing to him, Room 2445 Rayburn House Office Building, Washington, D. C. 20515

Bargaining Order Listed

In preparation for the new California collective bargaining law which goes into effect July 1,1976, trustees of the Placentia Unified School District Monday night designated employee personnel as to classifications for the 1976-77 district grouping.

Involved are classifications of certificated management, classified management, classified supervisory and confidential classified, in accordance with the new law.

Under Certificated Management will be included the superintendent, associate superintendent and two assistant superintendents, director of pupil services, high school principals and assistant principals, continuation high school principal, junior high school principals and assistant principals.

Also elementary school principals and assistant principals, directors of program evaluation and planning, coordinators of career and vocational education, instructional materials and music; supervisors of child welfare, safety education and health services; psychologists and psychometrists, high school counselors, junior high school counselors, elementary school counselors, bilingual resource specialist, supervisor of mentally gifted minor program, coordinator of elementary curriculum, high school directors of athletics and activities and administrative management interns acting in any of the above positions.

Included in Classified Management are directors of accounting, business services, planning construction and maintenance, operations and transportation, data services, classified personnel, food services and purchasing.

Classified Supervisory encompasses maintenance foreman, building operations foreman, grounds foreman, lead mechanic, dispatcher, storekeeper, school business supervisor and central kitchen manager.

In the Classified Confidential category are secretary to the superintendent, administrative secretary, communications coordinator and secretary to the director of classified personnel.

Senior Citizens

BY MURIEL SUTTON

Something new has been added to our activities. Every Friday we are having a get-together social afternoon from 1 to 5 p.m. with coffee and cookies being served at the Womens Club House at Yorba Linda and Imperial Blvds.

Bring your knitting, cards, etc, both men and women, and we can do all the visiting we want. We are most grateful and happy to have such a nice meeting place.

Please note that the Thursday night at the Library "Get Aquainted" event has been cancelled on account of overlapping schedule at the Library.

We are happy to report that we now have our very own phone number at the Women's Club for Senior Citizens 993-9930, which is manned periodically for anyone desiring information concerning our organization.

We are very grateful to Von's Market for giving us a discount on hams which we purchased for Thanksgiving and wish to thank them.

We also wish to thank Placentia-Linda Hospital for the excellent meals available to all Senior Citizens of Yorba Linda and Placentia which they provide the first and third Wednesdays of each month for the very nominal sum of $1.50 per person.

Many of us attended last Wednesday and enjoyed the food and their hospitality. So many wonderful things we have available.

Library Showcase

Reminder to parents:

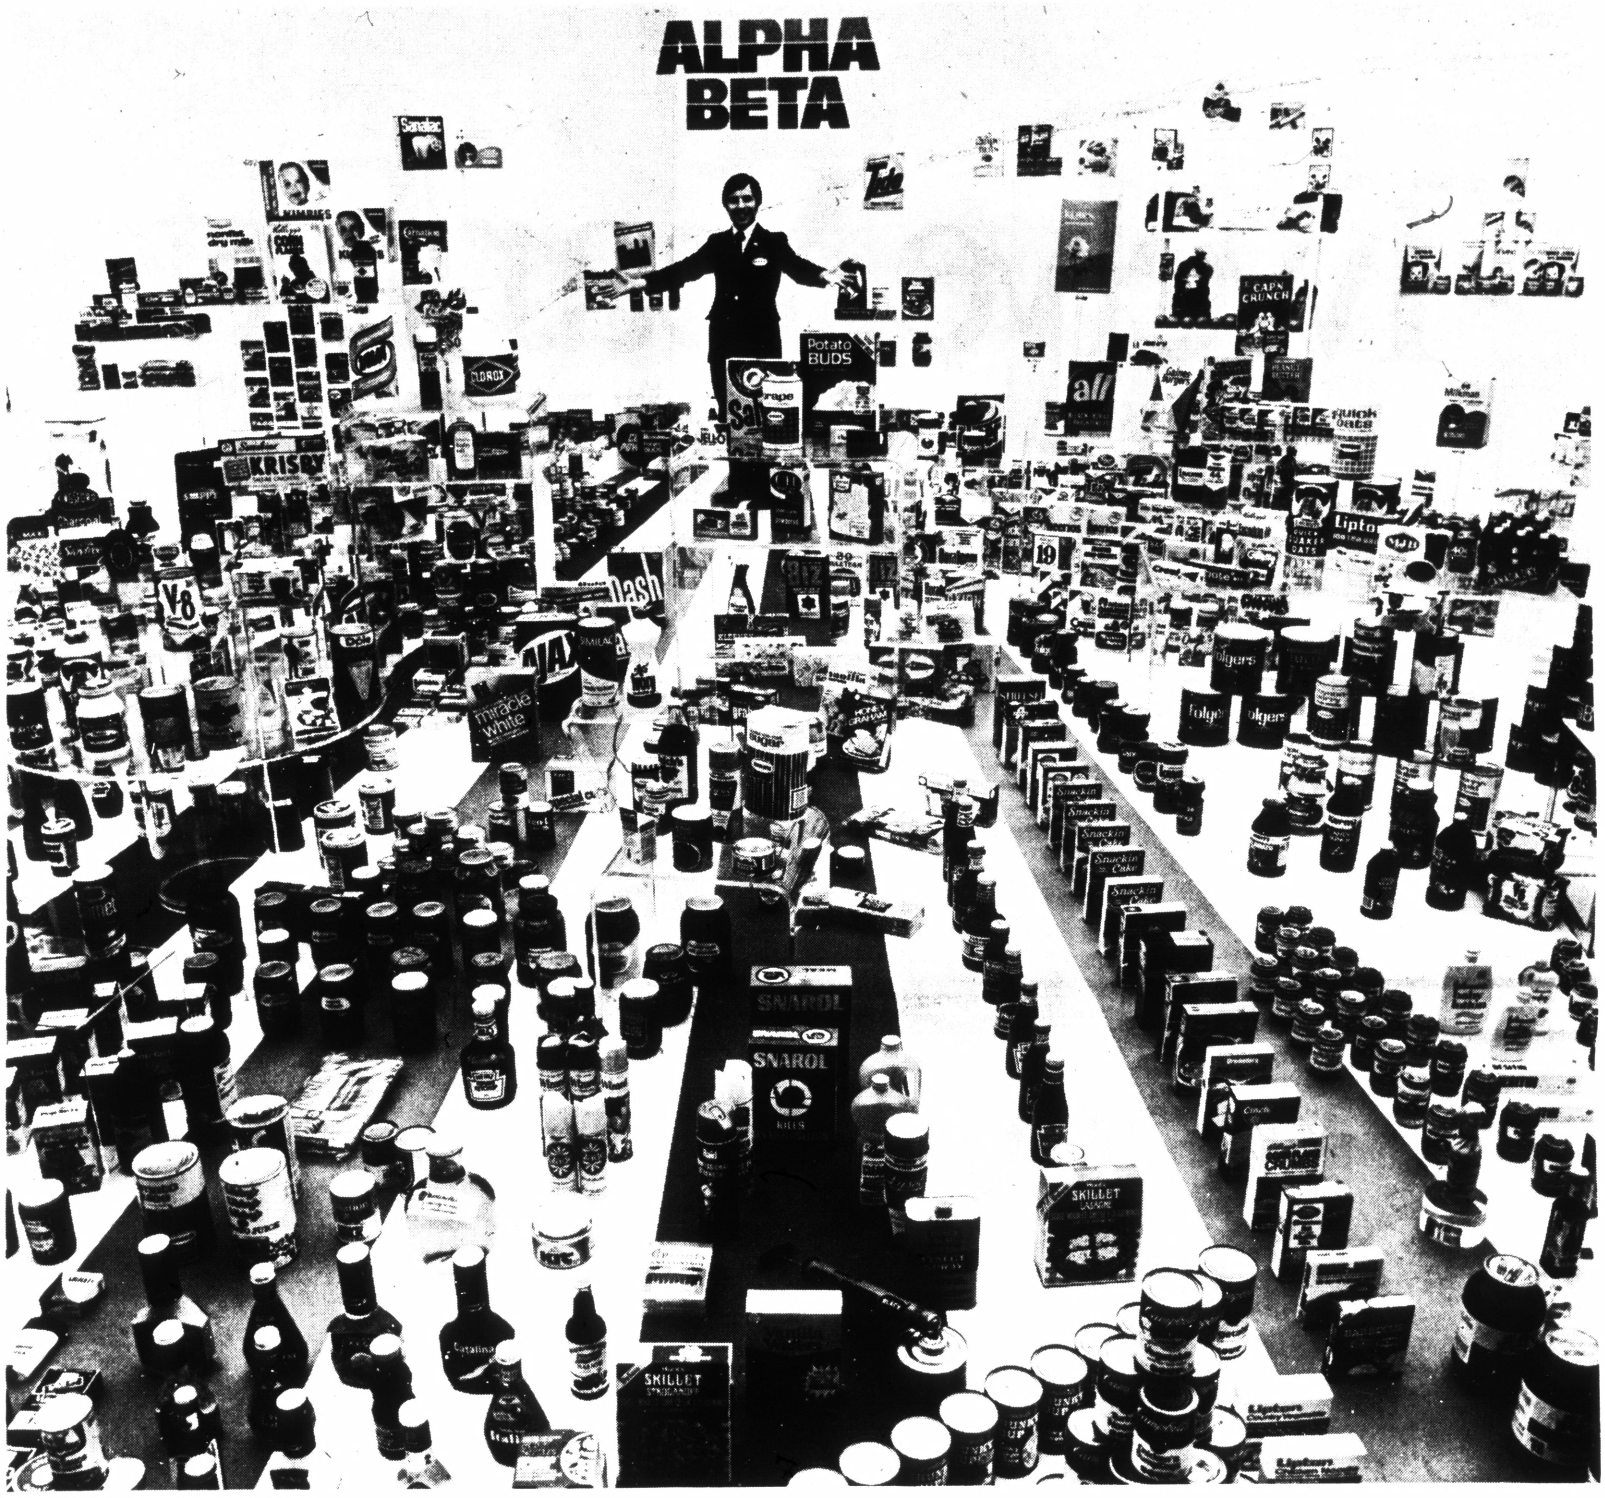
Children of teens who are left at the library in the evening to study or do research must be picked up by closing time (9 p.m., M-Th and 6 p.m., Fri & Sat).

It is very disturbing to staff members leaving after work to find youngsters waiting in the parking lots or on sidewalks for tardy chauffeurs. Since the library has no public phone on the premises, arrangements should be made ahead of time.

Bag of Flicks continues:

"Skyjacked" with gallant Charlton Heston is scheduled for screening February 6 at 7:30 p.m. in the library's community room. It continues the series of free films which will run through April.

ALPHA BETA



These are our "weekly specials." Today and every day.

Have you ever missed out on a specially reduced food price because you didn't get to the market the right week? Well, that won't happen when you shop Alpha Beta! You see, Alpha Beta has rolled back prices on thousands of food items. And our new low price policy will stay in effect day after day, week after week. Because our new low prices are now our *everyday* low prices.

(No need for a membership card, either.) We invite you to compare your total food bill at Alpha Beta with any other market in town. See what a wonderful difference Alpha Beta's new everyday low prices can make in *your* food budget. And forget about see-saw special prices that go up and down week after week. Alpha Beta's new low price policy is in effect *to stay!*

Report from Philip Morris

Twelve Year Effort Ends With Unprecedented Flavor In Low Tar Smoke.

New 'Enriched Flavor'™ discovery for 9 mg. tar MERIT achieves taste of cigarettes having 60% more tar.

The greatest challenge to cigarette makers in the last two decades has been how to make a low tar cigarette that wasn't "low" in taste.

It seemed impossible.

Until today.

After twelve long, hard, often frustrating years, Philip Morris has developed the way to do it.

The cigarette is called MERIT. It

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

delivers only 9 mg. of tar. One of the lowest tar levels in smoking today. Yet MERIT delivers *astonishing* flavor.

If you're looking to become a low tar smoker, or don't particularly enjoy the taste of the low tar brand you smoke now—you'll be interested.

Low Tar, Good Taste: Filters Fall Short

Like most everyone else, we tried to design special "low tar, good taste" filters. Special filters that would somehow allow taste through but not tar.

Like others, we experienced the same general kind of results: the lower the tar, the lower the taste.

So for flavor, we concentrated on the business end of smoking. The tobacco end.

And decided if we wanted more flavor to come through, we'd just have to find a way to *start* with more.

Smoke Cracked: 'Enriched Flavor' Discovery

So we began an exhaustive research program in cigarette smoke analysis and the ingredients that actually comprise cigarette taste.

By using a very sensitive instrument called an Analytical Fractometer, we were able to "crack" cigarette smoke down into its various ingredients.

We found there are over 2000 separate ingredients in smoke.

Each was isolated and analyzed, one by one.

What we discovered was startling: *there are ingredients in tobacco—"key" basic flavor units—that deliver taste way out-of-proportion to tar.*

Breakthrough.

By fortifying tobacco with these natural flavor essentials, we're now able to pack flavor—extraordinary flavor—into a cigarette without the usual increase in tar.

The discovery is called 'Enriched Flavor.' It's extra flavor. Flavor that can't burn out, can't fade out, can't do anything but come through for you.

Taste-Tested By People Like You

9 mg. tar MERIT was taste-tested against five current leading low tar cigarette brands ranging from 11 mg. to 15 mg. tar.

Thousands of smokers were involved. Smokers of filter cigarettes like yourself, all tested at home.*

The results were conclusive:

Even if the cigarette tested had 60% more tar, a significant majority of all smokers tested reported new 'Enriched Flavor' MERIT delivered more taste.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, 9 mg. tar MERIT MENTHOL performed strongly, too, delivering as much—*or more*—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough. Now you've got the cigarette.

MERIT.

Incredible smoking pleasure at only 9 mg. tar.

From Philip Morris.

SOCIETY

KIM DEBRA GEETER

Geeter–Druff Nuptials

Mr. and Mrs. Charles F. Geeter of Placentia have announced the engagement of their daughter Kim Debra to Walter John Druff of Fullerton, son of Mr. and Mrs. Hugo F. Druff of Placentia.

Miss Geeter is a graduate of El Dorado High School and California State University, Chico. She is now attending Chico State to complete her elementary teaching credential.

Walter Druff graduated from the University of California at Irvine and is Head Coach of Swim Team of Placentia and Swimming Coach of El Dorado High.

The couple plan to be married June 5, 1976.

Josh White Marries Mary Tobias

Josh White, long time Placentia resident and Mary Tobias were married on November 23, 1975 in Long Beach.

The Presbyterian Chaplain from the University of California at Los Angeles performed the ceremony. The couple honeymooned in Hawaii and are making their home in Placentia.

SOCIETY CON'T ON PAGE 14

Schneiders Entertain Friends

Mr. and Mrs. Clarence E. Schneider entertained the incoming and outgoing officers of the Placentia Friends of the Library for dinner at their home on Saturday, January 24.

Mrs. Schneider, outgoing president, stated that it had been a distinct pleasure and a great deal of satisfaction to work with this board in the beautiful facility of the Placentia Library with its fine staff.

The outgoing board members of 1975 are: Myrtle Schneider, Otis Crooks, Carol Downey, Liz Mead, Carl Schuholtz (Late), Eric Teel, Nita Godwin, Carol Zukowski, Clairee Tynes, Robert Settles and Lee Jones.

RAYDRA INTERIORS

"Peggy's Pointers"

When choosing flooring for an entry way, it is important to look for something which can withstand a lot of traffic and keep looking good.

For those of us with children, it's also important to have a floor which cleans easily - otherwise we end up slaves to the floors. Ceramic tiles can take a lot of abuse and keep coming back for more. Some of them are made of clay and other earth materials and do require waxing, others only require a periodic damp mopping.

Wood floors are also very attractive. Parquet flooring has made a strong comeback with our renewed interest in natural materials, and another popular look is the plank and peg flooring - an excellent choice for a home which wants to look more rustic. Hardwood floors really require less maintenance than you think. If coated with polyurethane, they need only damp mopping. If covered with a penetrating finish, they need buffing and dust mopping. It is a misconception that hardwood floors need frequent waxing - the less wax, the less dirt is built up.

Next week we'll put walls together with the floors.

Juniors Vision Program

The Yorba Linda Junior Women's Club is sponsoring the Vision Screening Program for the Yorba Linda School District.

Tests are given to school children for color, coordination, refractive error and other specialized areas.

Wendy Spencer, health chairman of the juniors is coordinating volunteers from the club to help the Doctors of Optometry.

Janet Julian, principal of Rose Drive Elementary School, is coordinating the screening for the Yorba Linda Elementary Schools.

January 28, 212 students will be tested at Rose Drive school and 112 students will be tested at Richard Nixon in kindergarten, third and sixth grades.

On January 29, 413 students K through sixth grades will be tested at Mable Paine.

Vision screening will be conducted between 8:30 a.m. and 12 noon at a cost to the Juniors of $1 per student. Eye testing is a state requirement for public schools.

Jewish Singles

The New Jewish Singles group has been serving the needs of Jewish single adults (women age 28 to 49 and men age 30 to 51) in Orange and Southern Los Angeles Counties for the past three and one half years.

On Friday evening, February 6th, the group has scheduled a discussion. Topic for the evening will be "When I Say No, I Feel Guilty," book by Manuel J. Smith Ph. D. The discussion will be moderated by Wendy Gayron, staff counselor, Jewish Family Service.

A gala Valentine Party has been planned for Saturday, February 14th. The evening will include dancing, games, prizes, no host bar, and a late evening snack.

On Sunday, February 22, the group will hold a Coffee Social. The evening will consist of socializing, dancing, and refreshments. Call 521-9994.

Little League Registration

All of the Little League Baseball units in California District 56, which includes all ten (10) of the North Orange County Leagues will hold registrations for the 1976 season on two Saturdays, January 31, and Saturday, February 7, 1976, from 9:00 a.m. until 4:00 p.m.

The purpose of the joint effort is to simplify publicity and to minimize confusion on the part of the parents and other interested individuals.

These same registration dates apply for both the regular Little League (age group 8 through 12 years) and the Senior Division (age group 13 through 15 years).

Candidates to sign up must be 8 years old prior to August 1, 1976, for their first registration. All the leagues will sign players for Senior Divisions, therefore, all ages 8 through 15 years are eligible to register within their residential league boundary.

Golden Hill will operate a Senior Division this year and players from West Fullerton may sign up at the Golden Hill registration site, East Fullerton youth may sign up and play with the Placentia Senior Division and all other leagues operate with Senior Divisions.

According to Little League and Senior League Charter Regulations, players MUST register within the league boundaries where they reside. All boys registering must be accompanied by a parent for parental approval and must furnish legal proof of age.

The registration times vary somewhat in that several leagues have additional weeknight registrations, but the Saturdays are the same for all leagues.

PLACENTIA: Registration Site: Valencia High School, 500 North Bradford Ave., Placentia. In the school Cafetorium on both Saturdays, January 31 and February 7, 9 a.m. until 4:00 p.m. plus Wed., Feb. 4, from 7:30 p.m. until 9:00 p.m.

BOTH EAST AND WEST PLACENTIA WILL REGISTER AT SAME SITE AND AT SAME TIMES. This year Placentia has two leagues with the boundaries as follows: East Placentia: East: From the northeast city limits south to the Santa Ana River. South: From Lakeview and the Santa Ana River on the east to the Riverside Frwy. west to the Frwy and Placentia Avenue. West: From Placentia Ave. and Riverside Frwy. north on Placentia to Orangethorpe to Kraemer to Yorba Linda Blvd. east to Valencia and north on Valencia to the Placentia city limits. North: From Valencia at the city limits east along the city limits to the easy boundary.

WEST PLACENTIA: West: From Orangethorpe Avenue and Placentia Ave. on the south north along the west city limits to the north-west Placentia city limits. North: from Northwest corner of Placentia east along city limits to Valencia. East: From Valencia and north city limits south to Yorba Linda Blvd. then east to Kraemer and Orangethorpe. South: From Kraemer and Orangethorpe southwest to Placentia Avenue.

PRESIDENT FOR BOTH PLACENTIA LEAGUES: Robert P. Haurlan - 996-0232

YORBA LINDA: Two leagues as EAST AND WEST. Registration Site: Yorba Linda Junior High School, 4777 Casa Loma, Yorba Linda. Time: Both Saturday, Jan. 31 and Feb. 7 from 9:00 a.m. until 4:00 p.m. President: Don Salio - 993-2472.

BOTH LEAGUES REGISTER AT SAME TIME AND AT SAME SITE. EAST YORBA LINDA BOUNDARIES: East: From the Orange County line east of Yorba Linda City Limits south to the Santa Ana River. South: Along the Santa Ana River from Orange Co. Line west to Lakeview Ave. West: From Santa Ana River north on Lakeview to Kellogg then north-east along Kellogg to Yorba Linda Blvd. and Y.L. Blvd. to north city limits. North: City limits from Y.L. Blvd. to County line east.

WEST YORBA LINDA : East: From north city limits at Yorba Linda Blvd. south to Kellogg to Lakeview. South: Lakeview north to Mariposa and Mariposa west to the Placentia City Limits. West: From Buena Vista and City Limits north along city line to north city limits. North: From Yorba Linda-Placentia city boundary on north east to Orange County Line.

Troy Drops Two Games

BY SCOTT EMBLIDGE

The Troy High School basketball team's record dropped to 2-4 this week after the Warriors were beaten by La Habra 64-49 and edged in the last ten seconds by Savanna 73-71.

Against La Habra, the Warriors couldn't generate an offense that could break the Highlanders tough zone defense. This, combined with cold outside shooting, led to Troy's demise.

The Warriors were behind by 10 at the end of the first period but Troy came back to shoot two of 13 from the floor in the second quarter to give La Habra a 32-14 halftime edge.

At the close of the third period Troy had come within 15 points and the Warriors got as close as nine on a Steve Paden field goal and a Mark Pepper free throw in the final quarter. Pepper led all Warrior scorers with 18 points. Chris Kingdon tallied 10 and Paden nine in a losing effort.

Troy travelled to Savanna with a chance to keep their record at .500 last Friday, but the breaks went the other way and the Rebels won, 73-71.

The Warriors were dominated in the early going with Savanna leading 25-18 after one quarter and 45-36 after two. The Warriors, though, shot well for only the second game this season and eventually caught up with the Rebels when a Troy comeback drive put the Warriors ahead 56-55 after three periods had expired.

The closing minutes found the game deadlocked and with under 30 seconds left in the contest Rebel center Jack Halpin sank two pressure free throws to tie the ballgame at 71 apiece.

Troy brought the ball inbounds and after successfully getting downcourt, forward Glenn Hoffman picked up a loose ball and passed it (and the game) into the hands of John Russo who hit a 10 footer with under ten seconds remaining.

The entire frontcourt of Pepper, Paden and Kingdon all tallied 14 points, but the leading scorer for the Warriors was Jamie Robbins who scored 17.

Photo By Jane Caswell

TRYING TO TURN HIM OVER-Johnny Martinez tries to get University's Niedermayer on his back in the Tiger's match against University. Miedermayer managed to avoid a pin but lost the match as Valencia won 71 to -1 in non-league competition Thursday evening. The plucky matmen defeated Sonora Wednesday to put them 2-1 in Orange league. They'll face undefeated Esperanza tonight in a match that could pretty much determine the league championship.

Tiger Wrestlers Win Big

Tiger matmen, two nights in a row, took on their foes with resounding victories, the second night pulverizing University with a win for the books...a 71 to minus 1.

Wednesday night the Tiger wrestlers outgrappled Sonora by winning nine of the final 11 matches at their home base with a 31 to 17 tally. The meet was Orange League and both Valencia and Sonora are 2-1 in league competition.

The Valencia JVs came out with a 36-21 win and Sonora won the frosh-soph set with 36-25.

Tigers taking their matches included Terry King, Robbie Hoff, Mike Nava, Jake Tynes, Mark Lopez, Richard Brazney, Chuck Melkus, Steve Smith and John Martinez.

Thursday, the game was even more one-sided with the Tigers winning every one of their confrontations from the host University High School. Morover, the hosts received a penalty for unsportsmanlike conduct accounting for the minus one of the one sided score.

The non-league win raised the Tigers season mark to 13-3. Valencia's JV and frosh-soph also won their laurels winning 41 to 29 and 60 to 7.

Winning for the Tigers were Steve Escarsega, Doug Hartwick, Terry King, Robbie Hoff, James Maldonado, Jake Tynes, Mark Lopez, Rick Norman, Richard Brazney, Ed Speyer, Steve Smith, John Martinez and Jim Wallace.

Chili Dinner Before Game

Parents of graduating seniors at Valencia High School will sponsor a special chili dinner prior to the Valencia-El Dorado basketball game Friday, February 6th at Valencia High School.

The dinner will be held in the Cafeteria- lounge starting at 5:30 p.m. (game time is 7:30 p.m.) and tickets for the full meal have been set at $2 per person, with children under 12 at $1.

This is the first public fund-raising event by the parents in support of the annual graduation all-night party, held in the high school gym each year as part of the graduation activities. Supporting the dinner will be the Valencia PTA.

A preliminary meeting of parents was held January 14 in the Valencia library, with Marty Press, chairman of the '75 event as acting chairman.

An organizational meeting will be held on January 28 at 7:30 p.m. again in the library, and at that time an election for the post of chairman and appointment of committee chairman for the "Spirit of '76" graduation party will be held.

The party this year will be on June 17, 1976, following the ceremonies on Bradford Field. Total number of graduating seniors will be under 300, one of the smaller classes in many years, which makes the need for direct fund-raising, and solicitation of outside support, apparent.

The on- campus graduation party has been a tradition at Valencia and has been a community supported activity with most of the on-site work accomplished by parents of the graduating seniors.

Dancing, entertainment, games, and two meals, including an early-morning breakfast, are part of the activities which take place in the decorated gymn.

Full Tennis Schedule Offered

A full schedule of Tennis Classes will be sponsored by the Placentia Recreation Department.

Classes will be offered for both youths and adults. All Tennis classes will begin the week of February 16. Raquets and balls will be furnished if necessary. The fee for the Tennis classes is $12 for 6 weeks for residents of Placentia.

Registration for the Tennis classes will begin with a special registration day on Saturday, February 7 from 8 a.m. to 9 a.m. for residents only and 9 a.m. to 10:30 a.m. for residents and non-residents at the Backs Community Building, 201 N. Bradford. Registration will continue at the Recreation office, 117 N. Main Street, Monday through Friday from 8 a.m. to 6 p.m. For further information, call 993-8232.

Hawks In Tie

by Brian Hilderbrand

Paced by Ken Dressel's 12 second-half points, and the rebounding of Rory Lovell, the El Dorado Golden Hawk basketball team dumped Esperanza last Friday, 68-49, to put the Hawks in a tie for second place in the Orange League.

Dressel ended the night with 14 points, and Lovell dominated both boards for the Hawks with 12 rebounds and 12 points. The win lifted the Hawks' record in league to 2-1, and 13-5 on the season.

The Hawks' led throughout the game, with the Aztecs' only catching the Golden birds once. With less than a minute left to play in the first period, Rick Buchanan hit on a 20-footer to tie the game at 10-10. But about 10 seconds later Lovell got two points on a lay up, while drawing a foul. Lovell's free throw was good to put ED out in front for good, 13-10.

The Hawks' again outscored the Aztecs in the second period, 13-8, holding a 26-18 lead into halftime.

The third quarter was the Hawks' big period. El Dorado held the home team to only nine points, while the Hawks got hot scoring 20. Dressel led with six points in the period, with Lovell scoring five points. El Dorado held a 46-27 lead going into the final period of play.

Both teams scored 22 points in the fourth quarter, with Dressel leading the Hawks with 6 points, and Jim Brown putting in six for the Aztecs' in that period.

It was a foul-ridden contest, with both teams combining for 41 personal fouls. The Hawks had 26 team fouls, and the Aztecs' committed 16. The only player to foul out was Jim Boyd of El Dorado, though Blake Withers, Rory Lovell Rob Linn, and Ken Dressel all had four fouls.

High scorers for the Hawks were Dressel with 14, Lovell with 12, and Joe Martin added 11 points. The Hawks were 26 for 51 off the floor, and 16 for 21 from the charity line.

The Aztecs were 18 for 36 from the floor, and 13 for 24 from the free throw line. Esperanza was lead by Jim Brown with 18 points. Steve Mead put in 7, and Terry Hutchens added six points to the cause.

Earlier in the week, last Tuesday, the Hawks met the Sonora Raiders, and the Hawks lost their first game in league play 63-38.

The Hawks were not all together, as Blake Withers was out of form with a cold. Withers had his lowest scoring game of the season with two points. Rory Lovell took over in the scoring department with 16 points.

The closest the Hawks ever got to the Raiders was in the third quarter. El Dorado fought back to a 35-45 deficit, but failed to get any closer.

SCORING

El Dorado (38)--Withers 2, Lovell 16, Dressel 7, Herbst 4, Babcock 1, Boyd 6, Linn 2.

Sonora (63)--Knudsen 13, Skala 14, Grebel 3, Kuper 16, Amaral 17.

Fouled Out: Lovell (ED).

****

SCORING

Esperanza (49)--Alvarez 2, Buchanan 5, Behymer 5, Brown 18, Hutchens 6, Mead 7, Nicoll 4, Tucker 2.

El Dorado (68)--Withers 8, Lovell 12, Boyd 4, Linn 2, Dressel 14, Babcock 7, Martin 11, Johnson 6, Goode 2, Jesmont 2.

Fouled Out: Boyd (ED).

BENEFIT TENNIS--match will be played at the Yorba Linda Country Club courts on Sunday, Feb. 1 at 2 p.m. to assist the tennis program at Cal State Fullerton. Among the participants will be CSF tennis coach Ron Wichey, left, and Eric Joachim, right, club pro.

ED Relay Teams In Finals

El Dorado sent 4 relay teams to the CIF relays Saturday and placed three of them in finals which will be this Friday evening at East Los Angeles College. The fourth relay placed eighth with the top six going to finals.

Qualifying first with a new CIF record was the breast stroke relay team of Tom Ryan, Jay Bickford, Rick Garland, and Eric Andrews, with a time of 2:02.3. The old record was 2:05.0.

Also qualifying first with a new CIF record was the medley relay of Andrews, Ryan, Mark Rangle, and Bickford. Their time was 1:47.3. 6 tenths off the old record.

The third qualifying relay was the 6 by 50 freestyle which also qualified in first place, but didn't quite capture the record. It was composed of Andrews, Ryan, Bickford, Rangle, John Little, and Grant Jeffries.

The eighth place relay was the 4 by 100 freestyle swam by Garland, Little, Jeffries, and Rangle.

The relays were swam in the Frosh-Soph division, although several of the boys swim varsity in most meets. No varsity relays were entered as the remaining varsity did not have the depth to compete effectively without Ryan, Bickford and Andrews.

Hawks Lose To Aztecs

by Brian Hilderbrand

El Dorado's Golden Hawks wrestling team lost a close meet with Esperanza, 32-30, in a match that went down to the final heavyweight division.

El Dorado was behind in team points, 27-33, going into the final match, pitting Larry Sepulveda and Rusty Hodges. The Hawks needed a pin by Sepulveda to tie the match. Sepulveda won his match on a decision, 5-4 giving the Aztecs' a narrow 32-30 win.

Esperanza was penalized one team point after the match, as one of the Aztecs ran out onto the mat. Still, the home team had enough points to beat the Hawks.

Esperanza beat El Dorado on four pins. The Hawks came up with four pins, also. The Aztecs took seven out of 13 weight classes.

The Hawks are now 2-1 in league. Esperanza holds a 2-1 record.

El Dorado travels to Brea-Olinda High School for their next match Wednesday at 7 p.m.

RESULTS

EVERYBODY IN THE ACT--All five El Dorado High players were around the basket when Rory Lovell [52] got off a shot in game against Esperanza last Friday night. Other Hawks are, from left: Blake Withers [30], Joe Martin [40], Rob Linn [23] and Jim Boyd [14]. Outnumbered are Aztecs including Steve Mead [24]. ED won 68-49.

Net Match To Assist CSF Tennis

A tennis exhibition will be played Sunday, February 1 at 2 p.m. on the courts of the Yorba Linda Country Club between Yorba Linda tennis pro's Eric Joachim and Pete Cavallero and the Duran brothers of Cal State University at Fullerton.

Head coach Ron Wichey of Cal State will host the event and Phil Schreiner, professor of speech communications and director of the faculty development center will be master of ceremonies.

The exhibition is open to the public and there is no admission charge.

Donations to the school sports program will be accepted at the cocktail party following the match.

Funds will go to support the Cal State Fullerton tennis team.

YOUR Pharmacist SPEAKS

By John Payne,
Owner - Reg. Pharmacist

Aspirin, that simple but versatile drug found in every medicine cabinet, enjoyed a rediscovery in 1899. First discovered in 1853, it was believed to be virtually worthless!

Aspirin's new lease on life came about in a search for a substitute for salicylic acid. A new and closer look at acetyl-salicylic acid brought to light its amazing effectiveness against fever and pain. Every year, Americans manage to down between 18 and 20 billion aspirin tablets. That averages about 100 for every man, woman and child!

Whether it's your first visit, or a rediscovery, you will find that your prescriptions are filled accurately and quickly when you bring them to LINDA VISTA PHARMACY, where we take an interest in you and your health. Delivery at no extra charge.

HANDY HINT: To remove iron rust, sprinkle stain with salt, squeeze lemon juice on it, spread in sun to dry. Add lemon juice if stain remains. Rinse well.

STOP Makes Waves

Seven Swim Team of Placentia members placed in their events at the AAU "ABC" meet in Mission Viejo, recently.

"A" - 9 and 10 age group girls - Saundra Oberle was 4th in the 50 yard breast with a time of 38.04; Christine Johnson placed 5th in 100 yard back 1:18.3 and was 6th in the 200 yard free 2:24.3.

"B" - 8 and under boys competition - Craig Tillman took 3rd in the 100 yard individual medley with a 1:50.4. 9 and 10 year old boys - Tony Bell placed 5th in his 50 yard back with 40.7. 11 and 12 year old boys - Shawn Grenier took 5th places in two events 100 yard free with 1:11.1 and 100 yard back 1:18.9.

"C" - 8 and under boys - Mike Tillman came home with 1st place in the 50 yard free with a time of 42.1. 9 and 10 year old boys - David McAfee placed 2nd in 50 yard fly with 45.0.

Soccer Spurs Undefeated

The Spurs of Yorba Linda completed the regular season of the Junior United Soccer Association league play with an outstanding undefeated 8-0 season record to take the Continental League Championship in Divison II in competition against teams from Yorba Linda, Placentia, Fullerton, and La Habra.

Following the league play, the team went on to capture the Division II Title Championship as they triumphed over the National League champs, the Stingers of Placentia 3-1, and beat the American League champs, the Shrikes of La Habra 1-0, in a hard fought contest that saw the boys give their best effort of the season.

The Spurs were led all season and throughout the play-offs by the brilliant play of their forward line of David Wilson, Dean Taylor, David Alley, Jon Appel, Vernon Wnek, and Robert Schmit.

The Spurs received outstanding defensive play from their halfbacks Vince Pachiano, Eddie Osdale, Brian Peterson, Tom Wolf, and Steve Clark, and fullbacks Jim Appel and David Yamamoto, with exceptional goalie play from Randy Loy.

Spurs coaches Dave Wilson and Dave Taylor, both of Yorba Linda, have done a truly fine coaching job as they have blended these boys into the division championship team.

The Spurs are now engaged in the association's knock-out competition and have already advanced to the third round.

Warrior Grapplers Lose

BY SCOTT EMBLIDGE

Troy High School's wrestling team was beaten badly for the second consecutive week when the Lowell Patriots pinned four Warrior grapplers en route to a 47-14 victory. After opening with a 35-29 victory over Sunny Hills the Fullerton Indians defeated Troy 48-9.

The match began on the wrong foot for the Warriors when 98 pound Matt McMahon suffered a disappointing loss in a close battle that went to the Patriots in a 6-4 decision. Tim Lucas, returning after a week's illness, was pinned in the 105 pound class.

Sophomore Stuart Haskins turned in his finest performance this season when he acquired a draw against a more experienced foe. This is Haskin's first year on Varsity.

In the 122 pound class Charley Godard lost his third close match in a row when he came up on the short end of a 4-2 decision.

After the Baldovin brothers each lost their respective matches the score was overpowering in Lowell's favor 20-2. This brought up the Bushala brothers, Tony and Albert.

Tony's performance was surprising when he lost by pin to his adversary, but Albert cancelled out his brother's defeat by pinning his opponent.

After 156 pound Jeff Loftus received a forfeit in his match, the score was 26-14, still in the Patriot's favor.

This brought up Steve Moyer who was unsuccessful in his bid to keep the Warrior's slim hopes alive. Moyer was pinned and so was Troy because when they forfeited the 177 pound class it gave a 38-14 advantage that was impossible to catch.

Russ Hund lost a meaningless decision, 5-4, and the heavyweight class was forfeited by Troy to make the final tally 47-14.

The Warriors will hope to get back some respectability when they travel to La Habra High School for a 6:30 match with the Highlanders tomorrow.

Trio Sings At Church

"The Three Of Us" will be singing at the Eastside Christian Church on Sunday, February 1. The group will be singing in the morning and evening services at Eastside sharing their testimony in song.

"The Three Of Us" is a musical duo composed of two young men singing and playing guitar and string bass. Their exciting, fresh music is written by David Myers (guitar player) and harmonized by Tim Neuenschwander (string bass player).

This duo has played in churches, schools and shopping centers from the mid-west to the west coast, singing anywhere they were allowed to present their message in song about their Lord and Savior, Jesus Christ.

David and Tim are graduates of Intermountain Bible College of Grand Junction, Colorado. David is now planning on going into mission work in Brazil and Tim is the Minister of Music at Eastside Christian Church.

Ben Merold, minister of the local congregation, extends a cordial invitation to the community to hear this duo. The church is located at the northeast corner of Yorba Linda and State College Boulevards in Fullerton.

Herring To Sing

The Yorba Linda Friends Church is hosting a mini-concert for the youth with Special Guest Singer, Bruce Herring, formerly of THE WAY, a maranatha group from Calvary Chapel.

Bruce has recently stepped out of the group to settle down and raise a family, but is continuing to perform as a solo artist from time to time.

He was lead vocalist in such songs as: "He's The Reason", "It's Harvest Time", "There's A Love", "Cowboy's Dream", "Day's Of Noah", and "Sitting In The Pew", all of which have been recorded on albums.

For those who have heard him with the group, this will be a speical treat to hear him perform as a soloist.

It all takes place tonight, (Wednesday) at 7:30 p.m. at the Yorba Linda Friends Church 5211 Lakeview Avenue Yorba Linda. For further information call: 528-7047.

Sermons Permitted On Street Corner

The Placentia City Council again granted permission to the Church of God and Christ, Santa Ana, to hold weekly services at the corner of Santa Fe and Melrose Streets in the downtown Placentia area.

Associate pastor of the church, Lupe A. Solis was given permission to speak from 4 to 5 p.m. The permit gives a year's extension to similar services held weekly last year.

The city council, four of whose members are of Catholic faith, have refused, however, to permit the saying of Catholic Mass at the city owned Chester Whitten Building.

Catholic services held there earlier last year were stopped when the matter was brought to the attention of the council.

Labordes Anniversary

Peter and Helen Laborde of Placentia, celebrated their 23rd wedding anniversary Sunday.

They were married on January 18, 1954 in San Diego.

They celebrated the occasion with their four sons.

New Potentate

Kenneth H. Boucher, of Ladera Heights, was elected Potentate of Al Malaikah Shrine Temple.

As the titular head of 30,000 Shriners, Boucher is the chief executive officer of the largest Shrine Temple in North America.

His jurisdiction includes 67 Shrine Clubs and 11 Temple Units in eight Southern California counties.

Cancer Society Needs Drivers

The American Cancer Society of Orange County is looking for volunteer drivers who can participate in their "Angels on Wheels" program. This service is provided at no charge to all cancer patients who need rides to and from their medical appointments.

All "Angel" volunteer drivers go through a brief orientation program which prepares them for their responsibilities. A valid driver's license, an insured automobile and a desire to help people is all that is necessary to become a true "Angel on Wheels".

Persons who can give of their time as drivers and persons who are in need of a ride should contact the American Cancer Society at 752-8600.

Coffee House Ministry At Church

The "Coffee House Type" youth ministry of The Church in the Marketplace is strengthened by the leadership given by its Youth Minister Mr. Terry Walling, the church stated this week. "Terry trains youth in Bible study Wednesday nights at 7:30 p.m. and guides the church's drop-in ministry of 'The Bridge' every Saturday night," Rev. David Brostrom, pastor, reports.

Walling is a graduate of Valencia High School and recently received his degree from Point Loma College in San Diego. He has been active in city life as a leader of our Teen Council and recently has been with the Parks and Recreation Summer Day Camp program, in Placentia. The Church in the Marketplace is Terry's home church. He is now enrolled in the Pastoral Program of Talbot Seminary in La Mirada, the pastor explains.

Pastor Brostrom says, "We are fortunate to have Terry on the Pastoral Staff. Youth relating to Terry's spiritual leadership do very well in their Christian experience. We are glad that Terry is here to help the youth of Placentia."

The Church is located in the Mall of the Sierra Vista Pantry Center at Bastanchury Road and Placentia Avenue.

Photo by Gary Ambrose

COFFEE HOUSE MINISTRY is a popular youth program at The Church in the Market Place, located in the Sierra Vista Pantry Center at Bastanchury Road and Placentia Avenue in Placentia. Here Rev. David Brostrom, Pastor of the Church discusses plans with Terry Walling who is in charge of the program.

Ninety-Seven To Graduate

Ninety-seven seniors will be graduated from the four high schools in the Placentia Unified School District this month. Formal ceremonies are not held for mid-term graduates, who are invited back for June graduations.

Following are seniors earning diplomas from the Placentia Unified School District:

EL CAMINO REAL--Tish Chicoine, Debbie Cross, Teri Gannuscio, Keven Habard, Katie Hook, John Pitt, Candy Ruggeri, Debbie Sipes, John Trejo and Jim Weindenhots.

EL DORADO-- Cheryl Anderson, Judy Apodaca, Kris Berry, Debbie Bricker, John Casares, David Dame, Barbara Dean, Carol Dula, Patti Fisher, Julie Grindon, Patricia Harding, Mark Hill, Karen Hurley, Jaime Laughlin, Joe Marceletta, Michelle Mezerow, Tammy McFarling and Allison Owens.

Steve Pasek, Joett Pexton, Mary Jane Pohl, Mark Robbins, Linda Russell, Melanie Stambaugh, Sharisse Stricat, Steve Tuller, Suzanne Valenta, Suzette Valenta, Cindy Van Hecke, Kim Von Iderstein, Cynthia Wallstrom, Lisa Waskowski, Sharon Watkins, Nancy Wilkens and Deborah Yukich.

ESPERANZA-- Keith Burkholder, Tammie Davies, Jennifer Dodson, Venisa Driscoll, Cyndi Elmore, Ginger Fielder, Ken Harper, Debbie Holt, Sherri Hooper, Jeanne Jessup, Pam Maggard, Kim Matthews, Roberta Porges, Cindy Raya, Brad Roberts, Robert Simensen, Tammie Smith, Gail Thompson and Jamie Woodruff.

VALENCIA--Roger Abbott, Lisa Ardent, Eileen Callahan, Sarah Carrera, Cathy Caudle, Rosann Cerda, Debbie De Los Reyes, Teresa Dollard, Dori Donobedian, Kelly Jo Evert, Josephine Felipe, Charlene Fett, Lisa Franz, Patricia Furrow, Diane Gomez, Lisa Hosman, Lori Hutchens and Cynthia Kisylia.

Robert Lopez, Kathy Lowe, Kathy Perkins, Patrice Porter, Darlene Randolph, Douglas Rigby, Jeanette Rodriguez, Taina Rouse, Julie Samaniego, Julie Scholle, Linda Shiotani, Michael Sweeney, Priscella Tovar, Joy Williams and Leslie Wright.

ELECTED

Dr. Ralph T. Haas, Pastor of First Presbyterian Church, Fullerton, has been elected Moderator of Synod for the coming year...**Placentia Presbyterian News.**

Armets Have Boy

Mr. and Mrs. Bob (Ellen) Armet of Yorba Linda announce the birth of a son, Robert Brian Armet, on January 14. He is a third generation Yorba Lindan.

Robert Brian weighed in at six pounds, seven ounces. The maternal grandparents are Bobby and Patty Cochran and the maternal great-grandparents are Dr. and Mrs. R.C. Cochran.

TRAVELERS

The holidays have seen many of our church families traveling to all corners of the United States...Millie and Fred Fritchie to Colorado Springs, Colorado; Susan Wilbur's family to the San Francisco area; Oliver, Anita, Cindy and Nancy Bohning to Florida; Ed Juel family to Wisconsin and the Morrow family to Carbondale, Illinois to help celebrate Janet's wedding. We wish them all safe trips and look forward to their speedy return....**Redeemer Lutheran Church Weekly Witness.**

THANKS

Our Assistant Pastor, Jim Deemer, has been the Southern California Chairman of Church World Service for the past four years. And on the local level, our deep appreciation to George and Hannah Key, who take care of the distribution and packing of all clothing deposited in the Church World Service Bin, located on the north side of the kitchen. They have been our chairmen for a good many years.....**Placentia Presbyterian News.**

Emblem Club Organizes

The newly formed Placentia-Yorba Linda Emblem Club #498 will be holding monthly meetings on the first Tuesday of each month. The group is an auxiliary of the Placentia-Yorba Linda Elks.

The meetings will be conducted at the Yorba Linda Library 18262 Lemon Dr., Yorba Linda at 7:30 p.m.

With the assistance of Clara Miller, Past Supreme President from the Burbank Emblem Club and Nadine Burns, Past President from the San Fernando Emblem Club, the ladies of Placentia-Yorba Linda have begun preparations for installation in April of this year. The following officers and Chairwomen have been elected and appointed for the coming year: Lois Davis, President, Placentia; Donna Sallabedra, Vice President, Yorba Linda; Terri Bel, Financial Secretary, Placentia; Carole Nixon, Treasurer, Placentia; Vivian Plett, Recording Secretary, Placentia; Myrna Hornback, Corresponding Secretary, Placentia; Barbara Barbee, First Trustee, Placentia; Pat Davis, Marshall, Yorba Linda; S.J. Magette, Assistant Marshall, Placentia; Marlea Clawson, Chaplain, Yorba Linda; Pat Etter, Organist, Fullerton; Jan Cook, Press Correspondent, Placentia; Karen Lane, Historian, Yorba Linda; Lois Hundley, First Guard, Yorba Linda; Brenda Marquardt, Second Guard, Yorba Linda; Joanne Gioconelli, Americanism Chairman, Placentia; Jay Morocco, Attendance Chairman, Placentia; Linda Van Buskick, Membership Chairman, Placentia; Linda Lowe, Ways and Means Chairman, Fullerton and Judy Anderson, Social Chairman, Placentia.

The next meeting will be on Tuesday, February 3, 7:30 p.m. at the Yorba Linda Library. For further information write to P. O. Box #1124, Placentia 92670.

DIABETES ASSOCIATION

The Orange County Field Office of the American Diabetes Association will host an Open House at its new facility located at 1215 E. Chapman Ave., Suite 4-D, Orange on Friday, Jan.30th from 12 noon to 5 p.m.

According to Bill Wood, Orange County Unit Chairman, the move was necessitated due to a growth in staff members.

Jean Schneider

Miss Schneider To Wed

Mr. and Mrs. LeRoy Schneider of Placentia have announced the engagement of their daughter, Jean A. Schneider, to Dale M. Anderson, son of Mr. and Mrs. Harold Anderson, also of Placentia.

Miss Schneider is a graduate of Valencia High School and is attending Fullerton College. Her fiance was graduated from El Dorado High School and Fullerton College and attended Biola College. He is currently attending Cypress College and is employed by Hormel, La Mirada.

The couple plan to wed June 19 in Chapman College Chapel, Orange.

This Pit Stop's A Primer

What happens at the pit stop often determines the winner of a race, and teachers at Brookhaven Elementary School in Placentia are using their Pit Stop to make winners of all their upper grade students.

The Pit Stop is Brookhaven's name for the reading lab teachers put into operation this year with a fulltime teacher, Darlene Seller, in charge.

Teachers and students have donated items to bring out the theme. Bright posters bearing such slogans as "Read with Speed," "Tune Up Your Reading" and "Be a Winner--Read" decorate the double classroom, and oil cans have been put to a variety of uses around the room.

"Our lab is equipped with materials to help students in all areas and levels of reading," Mrs. Sellers explained. "Teachers surveyed all kinds of materials and selected the most usable in such skills as listening, phonics, vocabulary, increasing eye span and comprehension."

Many of the materials are created by Mrs. Sellers to fit individual needs of students. She has devised several board games on the racing theme which can be used by students to drill on varied skills.

"Every child in the fourth, fifth and sixth grade has his own program that he works on," Mrs. Sellers said. "I keep individual folders and progress cards so we know exactly what each child has accomplished and what he's working on."

Ten-week check-up reports from the lab are sent home to parents with report cards, so they know in what skill development their child is involved and how he is progressing.

Mrs. Sellers meets with teachers every seven weeks to go over the progress each child has made and make up a program for the next seven weeks. Most of the skills are programmed in seven-week blocks, with some of the more difficult levels in 14-week segments.

Children come to the lab in groups of about 40 twice a week, with students who need special help or make-up lessons coming four times, the teacher reports.

"This lab is designed for all our students, and the activities range from enrichment types for children with higher skills to remedial for those reading below grade level," she said.

"We know we have to run the program at least a year to get any valid results, but we do know that children working below average levels have improved their reading skills," she added.

Teachers began planning the lab almost a year ago. They gave it a dry run during summer school and then opened at full force in September.

"Teachers have been fully involved in the planning and selection of materials to fit what they teach in their classrooms," Mrs. Sellers stated. "By sending children to the lab for concentrated reading instruction, they are free to work on other skills in their classrooms."

As for the children, "they come early from recess, and I can't get them out of here when it's time for them to go," she said.

Working with Mrs. Sellers is an instructional aide, Anne Jesmont, who comes every morning. Mothers who volunteer their help in the afternoons are Diana Earnhart, Carol Ebert, Dolly Piterak and Marianne Webb.

The reception to The Pit Stop has been so enthusiastic from children, teachers and parents that the primary staff is making final preparations to open a junior section with materials which will tie into that for the upper grades.

"In addition to helping children improve their reading skills, the lab lets them have fun," Mrs. Sellers stated. "And when they enjoy reading, the world opens up to them."

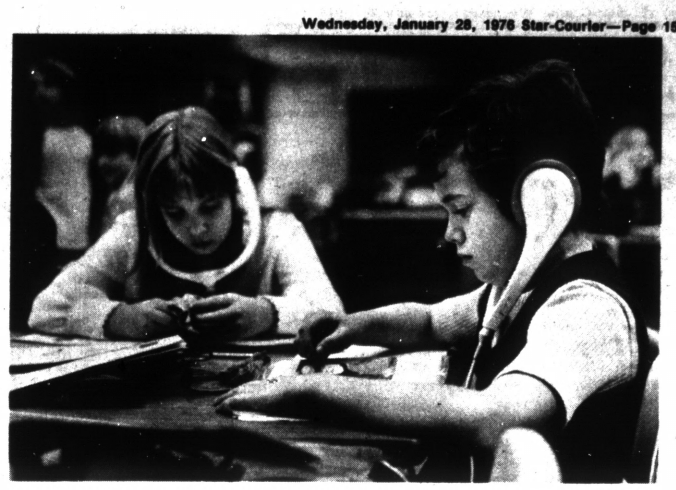

Photo By Doug Pizac

NOT THE LATEST ROCK TUNE--but skills programmed to improve reading, have the rapt attention of these Brookhaven Elementary School students. In the picture on the left are Henry Acosta and Chucky Ray. Above are Annette Replogle and Matt Arietta.

Fine Arts Festival Set

Mrs. Eugene O'Neal and Mrs. Robert Helander, members of the Placentia Round Table, will be attending the "Spirit of '76", the annual Fine Arts Festival of the Orange District, California Federation of Women's Clubs event .

The meeting is scheduled for Thursday, January 29 from 9:30 a.m. to 2:30 p.m. at the Women's Civic Club of Garden Grove in that city.

Mrs. Jack Allen, the Woman's Club of Cypress, chairman of the event, stated that general categories of entries will include paintings in various media, photography, sculpture, crafts and literature and creative writing. There also will be live presentations of music and drama.

Placentia Round Table members will be submitting entries in the annual event.

The public is invited to attend and all proceeds will help support Orange District scholarships, the clubs report. Luncheon will be available by reservation. Further information may be had by writing to 9411 Von's Drive, Garden Grove.

THAT DARN CAT authors, Gordon and Mildren Gordon, will speak at the Placentia Friends of the Library annual meeting on Thursday, January 29. With them is Mr. C himself.

Recreation Registration February 7

The Placentia Recreation Department will begin registration for the first Spring session of classes on Saturday, February 7 at the Backs Building, 201 North Bradford Avenue.

Registration will be open to Placentia residents only from 8 a.m. until 9 a.m. and to residents and nonresidents from 9 a.m. until 10:30 a.m. Registrations will continue at the Recreation Department Office, 117 North Main, Monday through Friday from 8 a.m. until 6 p.m. No registrations will be accepted by telephone or mail.

All classes will begin the week of February 16. Youth classes that are being offered include: Tiny Tots, Ballet, Baton, Drama Workshop, Drawing and Painting, Jr. Crafts, Golf, Gymnastics, Introduction to Dance, Perceptual Training, Macrame, Guitar and Tennis.

Adult classes will include Ballroom Dance, Belly Dancing, Cake Decorating, Golf, Guitar, Slim and Trim, Square Dance, Crochet, Yoga and Tennis.

For further information, please call 993-8232.

Zila Art On Display

Placentia Art Association member Marion Zila, will display her paintings in a one-woman show in the Placentia District Education Center, 1301 East Orangethorpe in Placentia for one month

The paintings may be seen by the public weekdays from 8 to 5 p.m.

Mrs. Zila has enjoyed creative work all her life but first discovered her love of painting and color in adult education classes. After much encouragement from instructors and winning a few ribbons, she decided to take further instruction and attended Fullerton Junior College for two years. She has since studied with Sally Cox, Helen Reed and is presently attending a monthly seminar.

Having seen many of the great works of art throughout Europe, she can appreciate the work of the great artists but in regard to her own painting...she will always be a dilettante, (so she says) and continue to enjoy herself.

The Placentia Art Association meets on the fourth Thursday of each month at 7:30 p.m. at Back's Community Building, 201 North Bradford, Placentia.

For information regarding membership call 524-2553.

Photo By Jane Caswell

ART DISPLAY of the works of Marion Zila, Placentia artist, is now in progress at the Administrative Offices of the Placentia Unified School District, 1301 East Orangethorpe Avenue, Placentia. The exhibit will continue through February 5.

Photo By Jane Caswell

ART AUCTION Ready to select some paintings are Round Table member Carrie Szalwinski [left] and Jr. Round Table member Barbara Reed. The organizations will host their annual art auction Friday, Jan. 30, with champaign and preview at 7:30 p.m. and auction at 9 p.m., at the Round Table Club House. Admission is $1.50.

"Darn Cat" Authors Here

By Clairee Tynes

Mildred and Gordon Gordon, the husband-wife writing team who created one of Walt Disney's most famous and successful motion pictures, "That Darn Cat," will speak at the Placentia Friends of the Library annual meeting on Thursday, January 29 at 7:30 p.m.

The charmingly warm, humorous, and effective couple are actually filling a return engagement; such was their popularity when they appeared here a few years ago.

Their latest book "Catnapped," which of course is about the harrowing adventures of D. C. (Darn Cat) Randall, will be available for purchase and the authors have consented to giving personalized autographs.

The Gordons are both graduates of the University of Arizona, which conferred its 1970 Achievement Award on them for their novels. Boston University has set up a Gordons Collection to house their manuscripts and research notes.

Both writers started out as newspaper people. Mildred was with United Press International and editor of "Arizona" magazine. Gordon was managing editor of the Tuscon, Arizona, Daily Citizen, roving correspondent for the Hearst newspapers, 20th Century-Fox publicist, and for three years an FBI agent assigned to counter espionage cases.

Among the many experiences they will relate will be how they acquired D.C. and how he came to figure so prominently in their writing. Their indebtedness to their cat is acknowledged through a plaque on the front gate of their sprawling Spanish home in Encino which reads, "This house was bought and endowed by a cat."

"New officers and board members for 1976 will be announced at this meeting," Mrs. Clarence E. Schneider, outgoing president of The Friends, reports.

Refreshments and a social hour will end the meeting to be held in the Meeting Room of the Placentia Library, 411 East Chapman. The lecture is free and open to the public.

Art Auction Friday

The Placentia Round Table and Junior Round Table will be holding an art auction on Friday, January 30, 1976 at the clubhouse, 901 N. Bradford, Placentia.

Robert Sills Gallery of North Hollywood will be arranging the exhibition and auction which will include beautiful works of art by such masters as Picasso, Dali, Rockwell and many others.

From 7:30 to 9 p.m. those present will have an opportunity to preview the display as well as to enjoy champagne and hors-d' oeuvres. The auction will begin at 9 p.m. An original painting will be given away as a door prize.

Tickets for this event may be obtained for $1.50 from any member of the Placentia Round Table, the Placentia Junior Round Table or by calling Janet Brown, 993-6268.

PUBLIC NOTICE PUBLIC NOTICE

ORDINANCE NO. 75-0-103

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PLACENTIA AMENDING CERTAIN SECTIONS OF CHAPTER 2.36 TO TITLE 2 OF THE PLACENTIA MUNICIPAL CODE, ENTITLED "MUNICIPAL ELECTION CAMPAIGN CONTRIBUTION AND EXPENDITURE CONTROL".

The City Council of the City of Placentia does ordain that Sections 2.36.010, 2.36.050, and 2.36.070 of Chapter 2.36 of Title 2 of the Placentia Municipal Code are amended and shall read in full as follows:

2.36.010 Intent and Purpose

(a) It is the intent of the City Council in enacting this Chapter to place realistic and enforceable limits on the amount individuals may contribute to political campaigns in municipal elections as well as limit the amount which a candidate can expend on his campaign to be elcted to municipal office for the purpose of preventing the exercise by campaign contributors of potential undue or improper influence over elected officials and to insure against a candidate being elected to office based primarily on the amount he expended on his campaign. The City Council finds that municipal elections are municipal affairs and consequently a charter city is not preempted by general state law from regulating expenditures in local elections.

(b) This Chapter is a supplemental regulation to the Political Reform Act of 1974 as permitted by California Government Code Section 81013.

(c) This Chapter requires the filing of certain state code forms modified to reflect additional information described in this Chapter. The purpose of the modified forms is to allow a single form which will satisfy the requirements of both the City and State.

2.36.050 Campaign Statement

(a) Statements Required. Each candidate for municipal public office shall file as a public record with the City Clerk three verified statements at times hereinafter required. Such filing shall supplement, those filings required by California Government Code Sections 81000 to 91000. Such statements shall list required contributions and the final statement shall list all total expenditures occurring during a campaign for municipal public office.

(b) Campaign Statement Contents

(1) Each campaign statement shall contain the following contributions:

(A) Made by a candidate to his own campaign, including date made and amount;

(B) Made by named persons if the amount is ten dollars ($10.00) or more, name of the contributor, address, amount and date made;

(C) Made anonymously if the amount is ten dollars ($10.00) or more, including date made and amount.

(2) The final campaign statement shall:

(A) Itemize expenditures in detail giving the person to whom paid, amount paid and for what purpose;

(B) If the total campaign expenses do not exceed two hundred dollars ($200.00), the candidate may file a declaration under penalty of perjury certifying that less than two hundred dollars ($200.00) was expended and no detailed statement is then required;

(C) Times for filing shall be as follows:

(i) Forty (40) days prior to the election. The closing date for this statement shall be forty-three (43) days prior to the election.

(ii) Twelve (12) days prior to the election. The closing date for this statement shall be (15) days prior to the election.

(iii) Sixty-five (65) days after the election, the closing date for this statement shall be fifty-eight (58) days after the election.

2.36.070 Emergency Clause

The Ordinance codified herein shall take effect as an emergency measure immediately upon its adoption by the City Council in that the Ordinance codified herein is necessary for the preservation of the public peace, health or safety, and the Ordinance codified herein relates directly to an election. This Chapter creates serious, overlapping obligations for public officials and those running for public office and the immediate election to be held requires that public officials and those running for office be given notice of the effect of this measure.

PASSED AND ADOPTED THIS 20th DAY OF JANUARY, 1976.

ROBERT B. LYONS
Mayor of the City of Placentia

ATTEST:
EDMUND M. PONCE
City Clerk of the City of Placentia

I, EDMUND M. PONCE, City Clerk of the City of Placentia, do hereby certify that the foregoing ordinance was introduced at a regular meeting of the City Council of the City of Placentia, held on the 20th day of January, 1976 and was passed at a regular meeting thereof on the 20th day of January, 1976 by the following roll call vote:

AYES: COUNCILMEN: Gomez, Langer, Lyons, DeJesus, Callahan
NOES: COUNCILMEN: None
ABSENT: COUNCILMEN: None

ORDINANCE 75-0-100

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PLACENTIA AMENDING ORDINANCE NO 353, ESTABLSIHING A RECREATION & PARKS COMMISSION.

The City Council of the City of Placentia does ordain as follows:

SECTION 2.16.010 is hereby amended to read as follows:

ESTABLISHMENT. The Recreation and Parks Commission heretofore established is hereby re-established as modified. It shall consist of seven members. The members of the Recreation and Parks Commission shall be appointed by Mayor, subject to the approval of the City Council. (Prior Code 2-20)

SECTION 2.16.020 is hereby amended to read as follows:

TERMS. The terms of six of the members of the Recreation and Parks Commission shall be for a period of four years and shall expire each succeeding July 1st. Such terms shall be staggered with the term of two members of the commission expiring each year. The seventh member shall be a high school student who shall be appointed for the term of one year commencing July 1st each year. Each member shall serve until his successor is appointed and qualified. Of the members first appointed, any combination of one, two, three or four year terms may be used to obtain the maximum staggered terms. (Ord. 68-0-126 & 1 (part(, 1968: Prior Code 2-21).

SECTION 2.16.050 is hereby amended to read as follows:

OFFICERS - MEETINGS GENERAL - RECORDS. The Recreation and Parks Commission shall hold at least one regular meeting each month on the second Monday of each month for the transaction of its business. The City Administrator shall designate a City employee to act as Secretary who shall keep a record of its proceedings and transactions. This record shall be a public record. All meetings of the Recreation and Parks Commission shall be open to the public pursuant to the rules adopted by the commission. The Recreation and Parks Commission, in July of each year, shall elect a Chairman and Vice Chairman from members of the commission for a term of one year. (Prior Code 2-24).

SECTION 2.16.060 is hereby amended to read as follows:

SPECIAL MEETINGS. Special meetings of the commission may be called at any time by the Chairman or by four Members of the commission by written notice served on each member of the commission at least twenty-four hours before the time specified for the proposed meeting. At any special meeting, the power of the commission to transact business shall be limited to matters referred to in such notice. (Prior Code 2-25).

PASSED AND ADOPTED THIS 20th DAY OF JANUARY, 1976.

ROBERT B. LYONS
Mayor of the City of Placentia

ATTEST:
EDMUND M. PONCE
City Clerk of the City of Placentia

I, EDMUND M. PONCE, City Clerk of the City of Placentia, California, do hereby certify that the foregoing Amendment to the Ordinance was introduced at a regular meeting of the City Council of the City of Placentia, held on the 6th day of January, 1976, and was duly passed at a regular meeting of the City Council of the City of Placentia, held on the 20th day of January, 1976, by the following vote:

Soccer Board Elected

The Junior United Soccer Association recently held its election of Board of Directors for the 1976-1977 season.

Looking forward to the season with enthusiasm are the following newly elected board members: Laurie Waaramaa, president; Roger Allen, treasurer; Dave Margolias, secretary; Sandy Foote, corresponding secretary; Barry Stilwell, V/P coaches; Hank Borgson, V/P referees; Ray Dickey, V/P playing arrangements.

Also Charlene Williams, V/P team mothers; Lois Smith, director ways & means; Dorothy Shepardson, director publicity; Phyllis Scarborough, director registration; George Gooch, director purchasing and Don Sweeney, Dick Fox, Richard Roth and Harry Murphy, area directors.

U.S. dairy cow numbers have declined 73,000 since October 1974, but production per cow is now up by 12 pounds.

SEVENTH GRADE CHAMPION TEAM at Tuffree Junior High School above includes front row, left to right: Don Millsap, Jasen Hill, Aaron Hakeman, Jeff Ames, Don Mumma and Mark Ukes. Middle row: Stanley Leventhal, Mike Pizzutello, Russ Taylor, Pat Martin, Steve Simmons and James Levesque. Back row: Jim Tracy, Bruce Cohen, Wally Lundquist, Mike Grieslu, Greg Kruger, Greg Archulletta and James Findlay.

Tuffree Championship

Winning was especially sweet for the eighth grade basketball team at Tuffree Junior High in Placentia as they finished an undefeated season to win the championship in the Placentia/Brea Athletic League.

It meant the same team won the championship two years in a row, setting a league record, according to Principal Joe Dunham.

Also piling up an 8-0 record to win a championship was the seventh grade team at Tuffree.

Runners-up in the four-school league in both seventh and eighth grade divisions are Bernardo Yorba in second place and Kraemer in third from the Placentia Unified School District and Brea in fourth.

Playing on the winning eighth grade team were Tom Farra, Randy Franz, Dean Gerhart, Mike Lackner, Doug Lowell, Dan Martin, Ric Martin, Mike Patras, Greg Sappington, Doug Sevre, John Sharp, Ben Storll and Robert Taylor.

Managers for the eighth graders were Robbie Parks and Clay Porter. Statisticians were Doug Imai, Paul Matthews and Kurt Morrison. Teacher Jim Arnoldt coached the team.

Don Millsap managed the team, and Mark Ukes was scorekeeper. Statisticians were Stan Leventhal and Jim Tracy. Jim Findlay was equipment man, and Bob Maylum the coach.
